

CHEROKEE ROSE QUILT GUILD

OCTOBER 13, 2011

The meeting was opened by Vice President Dori Holt.

Due to an extended business meeting it was determined to have our program first.

Our program was a presentation by Ben Hollingsworth's trunk show entitled "My Life Outside the Box". He shared his many award winning original quilts and a variety of heritage quilts.

Following the program we had a break where everyone shared the "pies" provided by everyone.

The following announcements were offered:

- October birthdays were recognized.
- Raffle for October will be a raffle of the strip blocks assembled by Broach Winsley. Also zipper pouches are available.
- November goodies will be "soups"

There was a correction of the September day minutes reflecting that it was Sarah Sorenson presenting the Saturday workshop.
