## President's Message

Happy New Year!!! I hope everyone had a Merry Christmas and is ready for a great New Year. I am excited to be President this year and thank you for your support.

Cherokee Rose has a lot of committed people serving as officers and on committees who are going to do a great job. The membership can help by being positive and participating in the opportunities they work hard to provide. There will be something for everyone, such as classes, stitch-ins (a great time to relax with quilting friends and sew, sew, sew) and, of course, lots of beautiful quilts to "ooh and aah" over at meetings. Also, if anyone knows of a quilting teacher within driving distance who can come teach a class, present a demonstration, etc., please contact the Programs committee. Please feel free to contact an officer with suggestions that will improve our experience in the guild. We need to increase our membership and I am sure that will happen if every member brings something to the guild even if its just a smiling face!

Last, but not least, we need volunteers for Ways and Means! This is crucial for the R'auction and the income provided by this committee on an on-going basis. It might be helpful if a volunteer stepped forward to store the R'auction items in case this is the problem keeping that perfect person from stepping forward!

Attached is a copy of the 2014 budget, please review it as we will be voting on it during the day and night meeting in January.

Welcome back everyone, see you soon.

## Sunshine

Irene Gardner is our 2014 Sunshine Chairman. She asks all members to contact her if they know of any members who are ill or need cheering up.

## Saturday Stitch-In

February 2nd from 9:00a.m. to 9:00p.m. will be the first 2014 Cherokee Rose Stitch-In in the ballroom at Hunter Park. Plan your projects, bring your machine and plan to spend a day in the warm glow of quilting and quilting and quilting!!! The cost is just \$10.

We'll be there from 9:00a.m. to 9:00p.m., but **YOU** come when you can and stay as long as you can. We will work on some scrap quilt blocks. Bring some scraps to share and we will see what we can make!

Bring your own lunch and we will have a potluck dinner around 5:00p.m., convenient for day and evening quilters. The Guild will supply paper goods.

This is a great time to get advice on a project, spend some "quality time" figuring out a new pattern or technique, or just getting a bunch of stuff sewn while chatting with your friends. New to the Guild? There isn't a better way to get to know other members.

Saturday Stitch-Ins work for everyone!

Here is what you need to bring:

- Your sewing projects, machine, extension cord, and supplies. (Also, bring a light for detailed work and an extra table if you have one.)
- Lunch
- Covered dish for dinner
- \$10 fee

If you have any questions, contact Robin Meyer at [robinmeyerga@yahoo.com](mailto:robinmeyerga@yahoo.com) or 770 948-5394.

## CROQ Program News

At our January 9 day meeting, Sarah Sorenson will demonstrate the Strip Tube ruler from Cozy Quilt Designs. This ruler gives you many creative options of what to do with jelly rolls. Pickleweed's is following up this presentation with a class the following Saturday. If any of you have made a project using this ruler please bring it to the meeting.

Our January 23 night program is a trunk show presented by Albertha Brown. She is very talented and creative, as you will see.

At the February 13 Day Meeting, our program will be presented by Doreen Thornton, who will show us "what you can make with small pieces of fabric." We plan to stay until 3:00pm, so bring your lunch. We will be creating many items from small pieces of fabric. Doreen says she is looking forward to sharing the day with you!

All the fabric and supplies will be provided for you, but if you want, you can collect the fabric pieces that you usually find yourself throwing in the trash. (even the tiny bits that you don't think can be used for anything) for the next couple of weeks and bring them with you to the meeting.

Equipment-wise, you will need to bring your sewing machine, rotary cutter and mat, thread - some dark, some light and a green or red. If you are unable to bring your sewing machine, that's ok, you can assemble your projects and take them home to sew.

The Feb. 27th night program will be a trunk show presented by Joany Orsi. I am sure that we will be inspired by her vision and flair.

Most of next year's programs are planned and posted on the website. So please check these out and put them and the two Saturday workshops on your calendar.
