President's Message

Hello:

Hope everyone is having a great summer, not too hot yet. Funny thing is we will be having thoughts of cool weather this month with Christmas in July. It will be a great time sewing the Christmas tree quilt at the day meeting with Joanie and a presentation of Christmas fabric and patterns at Pickleweeds for the night meeting. Then the pressure will be on to get those projects for gift giving and decorating completed by Christmas. We can do it!

Well, I didn't get to go shopping at Cottontails, but everyone seemed to have a good time. A goody bag and some tiny rulers went home with some lucky ladies at the night meeting from the excursion. Maybe next time. Hmm!

Ray Barreras, The Quilt Gadget Man, entertained us at the night meeting discussing what works and what we shouldn't waste money on in our pursuit of quilting. A list would be nice with the information given, my memory is not what it used to be. I love the ruler bags and plan to make some for myself. And the thread case would be nice. I could go on and on, hehe! Thank you Ray.

See you soon.

Have a nice day!

Hospitality

Its here! "Christmas in July."

Join us at the July day meeting for a celebration of the holiday a few months early. Snacks, gifts and FUN!

You may bring a snack to any meeting, day or night, if you wish. It must be a finger food requiring only a plate or napkin (*if you bring something requiring anything else, you need to supply it*). Let me know before, if possible, so I can make sure stuff is out. Please plan to stay and clean up and take your leftovers!

Please continue to bring your own beverage in a covered cup or bottle.

Vickie Pruitt, vlp-gapeach@hotmail.com., 678-650-9351.

There was not a day meeting this month. The report for the night meeting will be included with July's in the August newsletter.

If anyone has any money that belongs to the guild and I am not at a meeting, PLEASE call or email me so we can make arrangements. I would hate for anything to happen to you or the money by carrying it around. I will gladly pick it up from you! Service with a smile ☺

Thanks, Beverly

CRQG Program News

Our July 10th day program is the “Folded and Adorned Christmas” wall hanging taught by Joany Orsi. If you did not order a pattern you can still stay and watch the class. The project features a folded curved edge technique that adds a lot of interest to the Christmas tree. If you bought a pattern we will have them the day of the class to give to you. Please plan to stay, sew, and have fun until about 3:00 pm. The list of fabric requirements are:

Supply List

- 1/2 yard of a background print
- 1/4 yard of 2 Christmas Green prints.
- 1/4 yard of a Christmas Gold print
- 1/4 yard of a Christmas Red print
- 2/3 of a yard Christmas Green print for the border.
- Prints or blenders work equally well
- Optional: Package of small jingle bells to decorate tree.
Beads to adorn the star of the tree.
- Regular sewing supplies and sewing machine.

This project is currently on display at Pickleweeds Quilt Shop and is also pictured here. Information on the class is also available on the website.

On July 24, we will move the meeting over to Pickleweeds Quilt Shop. They will present a program on what's new this year for Christmas. Libby and Denise will be showing us the latest Christmas fabric, patterns, and projects to get us started on our Christmas sewing. Also, although the meeting will be held in the classroom, the program committee has requested that the rest of the shop be open as well.

At the day program on August 14, Doreen Thornton will teach how to make an Improvisational Bird Block. You need to bring 2 fat quarters of a medium saturated solid/or tone on tone fabric, your sewing machine, rotary cutter and mat...that's all! All other fabric will be provided

Coming Soon:

Our second Saturday workshop of the year will be 6 at Pickleweeds Quilt Shop. We have Stacy Michell teaching her “2 for 1 Hula” class. The guild is keeping the cost of the class down to a charge of only \$10. However, in order to take the class you must buy a \$35 kit from Stacy. The kit includes all of the materials (special hand dyed fabrics) to make two wall hangings. The class is limited to 20 students so don't forget to sign up and bring your \$10 class fee to one of our July meetings. Check out Stacy's website to see and learn more about this exciting Hawaiian quilting technique, <http://www.shadestextiles.co/>.

Tip of the Month

Are you pressing correctly?

"Think of it this way: you iron your clothes; you press your quilt block. Basically, press, lift, move and lower the iron along the seam. You do not want to slide your iron back and forth when working on your blocks because you could stretch your fabric."

This month's tip comes to us via Cottontail Quilts. If you have any great ideas and tips that you want to share, please send them to info@cottontailquiltshop.com. If they publish your tip, you will receive a gift.

Minutes: CROG Day Meeting, June 12, 2014

In lieu of our regular meeting on June 12, we instead took a field trip to Cottontail Quilts in Kennesaw, Georgia (see pictures below). Our next day meeting is July 10 at Hunter Park.

Respectfully submitted,

Patti Howell

Day Secretary

Community Service

Emily Poole and Marge Frost, Community Service Co-Chairs, have selected quilts for children as our project this year. The children are 4-6 years old, so making quilts for them will be fun and not difficult. They need to be no smaller than 40" by 50", but a little bigger would be alright. We have until the end of November to reach our goal of 50 or more quilts. Marge has agreed to collect them as they are made, so that we know as the months pass just how we stand regarding the goal. Have fun trying out new designs and colors, and keep in mind just how delighted a child will be in December!
