President's Message

Hello, everyone!

Christmas in July certainly was an inspiration. The night meeting was great at Pickleweeds with Christmas all around and the animated presentation of Christmas items by Denise and Libby. The Christmas purse struck my fancy, so I bought the pattern...the discount was certainly an encouragement. Now that I have the pattern I can get to work, hehe! Thank you, Joany, for giving all attendees not only a discount at the meeting, but after, too (remember to use the card included in your goodie bag for 25% off one item before 8/30/2014.) Also, several of the participants from the day meeting shared their folded-and-adorned Christmas tree quilts from the sit-and-sew at the previous day meeting. All of the tree quilts looked great and different as some were altered to give a personal touch.

I know everyone is looking forward to the Improvisational Bird Block class. Doreen Thornton will be teaching this class during the day meeting in August. Only two fat quarters and your sewing equipment; see the program section for more details.

Finally, come to the night meeting for a presentation by Stacy Mitchell and then for her 2-for-1 Hula workshop on Sept 6. I hope we get to see the fabric cutter in action. More details to follow.

Have a nice day!

Hospitality

We had a great time at our "Christmas In July" day meeting on 7/10/14! We had snacks available not just for the meeting, but throughout the "sit-and-sew" with our own Joni Orsi, owner of Pickleweeds Quilt Shop.

You may bring a snack to any meeting, day or night, if you wish. It must be a finger food requiring only a plate or napkin (*if you bring something requiring anything else, you need to supply it*). Let me know before, if possible, so I can make sure stuff is out. Please plan to stay and clean up and take your leftovers!

Please continue to bring your own beverage in a covered cup or bottle.

Bee News

July was apparently a very busy month for everyone, so there was not a bee after all.

Our next bee will be Thursday, 8/21/14, hosted by Vickie Pruitt in the Community Room at Highland Park Senior Village, 6785 Selman Dr., Douglasville, GA 30134.

She's serving lunch, so please give her a quick RSVP if you're going to be there, vlp-gapeach@hotmail.com, 678-650-9351.

Note: The October bee will be hosted by Erna Kriigel. Thanks, Erna!

Christmas Party 2014

Planning continues toward making this a fun time for all! The date is Thursday, Dec. 4 at 7:00 pm at Atlanta's Finest Catering. Tickets are \$20 each.

Don't forget you may start the **Christmas Layaway Plan** at anytime. Because other festivities in your life at the same time might be clamoring for your attention, we are more than willing to take your dollars in advance to help out with any stress. Just bring it on, sign up and we will keep tabs for you. Then, just show up ready to experience a night of wonder.

Community Service

Emily Poole and Marge Frost, Community Service Co-Chairs, have selected quilts for HeadStart children as our project this year. The children are 4-6 years old, so making quilts for them will be fun and not difficult. They need to be no smaller than 40" by 50", but a little bigger would be alright. We have until the end of November to reach our goal of 50 or more quilts. Marge has agreed to collect them as they are made, so that we know as the months pass just how we stand regarding the goal. Have fun trying out new designs and colors, and keep in mind just how delighted a child will be in December!

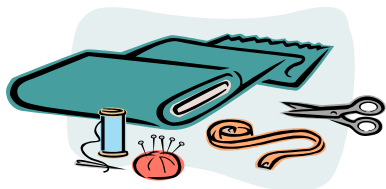

CRQG Program News

At the day program on August 14, Doreen Thornton will teach how to make an Improvisational Bird Block. You need to bring 2 fat quarters of a medium saturated solid/or tone-on-tone fabric, your sewing machine, rotary cutter and mat...that's all! All other fabric will be provided. Bring your lunch since we plan to play for several hours.

Our August 28 night program will be presented by Stacy Michell. Her program is called "Aloha Ya'll". She will share with us her story, a few tips and discuss the workshop she will be teaching on September 6.

Our second Saturday workshop of the year will be September 6 at Pickleweeds Quilt Shop. We have Stacy Michell teaching her "2 for 1 Hula" class. The guild is keeping the cost of the class down to a charge of only \$10. However, in order to take the class you must buy a \$35 kit from Stacy. The kit includes all of the materials (special hand dyed fabrics) to make two wall hangings. The class is limited to 20 students so don't forget to sign up and bring your \$10 class fee to one of our August meetings. Check out Stacy's website to see and learn more about this exciting Hawaiian quilting technique, [http:// www.shadestextiles.co/](http://www.shadestextiles.co/). FYI: The class we signed up for is the 6 hour class. We will have more details soon about what time we plan to start that day.

I'm a material girl - want to see my fabric collection?
