## President's December Letter

Hello Members,

November was a good conclusion to our meetings for the year. The Programs committee has done a wonderful job and never disappoints us. And we have shown our appreciation by having outstanding participation in all meetings and events. They have almost all of the meetings scheduled for next year so we are off to a great start. Thank You everyone.

I enjoyed attending the day meeting and made a couple of blocks with 2 colors and they were amazingly square. Now I am going to add more color, HEHE. The Rapid Fire Lemoyne Star is a ruler to add to your collection and easy to use. And at the night meeting we learned how to use the Accuquilt cutter and The Clever Quilters cutting system. Both interesting and useful options. Some members made use of the demonstration to get their applique pieces cut and I must say it was so much easier than cutting with scissors. So many more options for cutting beyond applique too.

It has been a great year and I have had a lot of fun with some bumps of course, LOL. By the time we see this newsletter the Christmas party will be over and we will be concentrating on our own family traditions. Be safe and I hope everyone has a Merry Christmas and a Happy New Year! See you in 2015!

## President's January Letter

Happy New Quilters,

I hope everyone had a great Christmas and is ready for a fantastic new year. While I was reviewing the list of programs for 2015 I was calculating vacation days. LOL. Guild members will definitely want to come to all the meetings possible and bring a friend. The more the merrier.

2014 was a great year as we learned new things and encouraged each other to quilt, quilt, quilt. Thank You to all who volunteered in any capacity as this is how the guild continues to be a place we all want to be. I appreciate the people who volunteered last year as officers, who lead the group making sure we had leadership at the meetings, money when we needed it and record keeping so we will know where we have been. Thank You to the following 2014 officers: Tina Corbitt-President, Jennie Hollis-Vice President, Bev Mahle-Treasurer, Patti Howell-Day Secretary and Dori Holt-Night Secretary.

2015 officers have all held a position in the past and are greatly appreciated for returning to an elected position. Thank You to the 2015 officers.

Tina Corbitt-President, Libby Armstrong-Vice President, Bev Mahle-Treasurer, Broach Winsley-Day Secretary and Dori Holt-Night Secretary.  
Tina Corbitt, President

Thank You  
Tina Corbitt

### Community Service

**Hooray! Cherokee Rose, you did it!** You made 60 quilts for Douglas County Head Start.

Wow. Marge and I are blown away! Thank you for your time, your work, your skill, and your materials. Thank you for caring about these kids.

Beverly Mahle made iron-on labels, and Marge and I separated the quilts into gender piles. (Many of the quilts were gender -neutral in case of uneven distribution.) The staff will give the quilts to the children before they go on their Christmas break. The day we delivered your 60 quilts, another volunteer was there. He was a handsome Santa, who has come to the center for 23 Christmas seasons.

Mattie, at Head Start, says that sometimes when they deliver their students to caregivers in the car pickup lane, they see former students still holding their quilts. Good for you ladies, and Charlie!

Guild, you made these quilts with every bit of care and quality that you do for your own quilts.

Thank you. We are proud of you.  
Sincerely,

Marge Frost and Emily Poole

## CRQG Program News

At our **November 13** day meeting, Annie Kellum and Linda Jones taught us how to use the Deb Tucker Lemoyne Star ruler. At the **November 20** night meeting, we were shown demos by The Clever Quilter and Accuquilt by Doris Davis, Linda Jones and Joany Orsi.

### January 2015 Program

Our program for **Jan 8<sup>th</sup>** is a Trunk Show by Robin Meyer. She is very talented and creative and has won many awards for her quilts. We will certainly be starting the New Year off with a special treat.

The **Jan 22<sup>nd</sup>** night program will be a sewing machine maintenance and pointers discussion led by Joe Phillips. He has a wealth of knowledge and experience on how to maintain your machine and keep it in the best shape. Feel free to bring questions.

Our first class of the year, Hexagon Fun! will be on Feb 12<sup>th</sup> at our day meeting. Our instructor, Julia Wood, has been a guest on Quilting Arts TV and has co-written a book, Quick and Easy Hexie Quilts. The list of what you need to bring to the class is below and will also be posted on our web site. You do **not** need to bring your machine to the class.

#### **Hexagon Fun!**

We'll learn two ways to make hexagons for quilts: English Paper Piecing and from circles of fabric. Each participant may choose to make either a mug rug or a pincushion using the hexagon technique of their choice. Once you've learned to make hexagons using these methods, you'll love adding them to your quilts!

#### **General Supply List:**

Hand sewing needles (sharp and small such as quilting between)

Thread in a neutral color, Scissors, Thimble.

Fabric in two coordinating colors (one fat quarter of each)

Circle template measuring about 3" in diameter (wide mouth Mason jar lid is perfect!)

Pen or pencil to mark fabric

**For Mug Rug:** also need 10" square piece of felt

**For Pincushion:** also need approximately 1 cup crushed walnut shells (available in pet stores as reptile bedding)

(In addition, Linda Jones plans to bring her Accuquilt circle die to help with cutting out the 3" circles.)

**The list of the 2015 programs, workshops, and Saturday Stitch-Ins are posted on the website.**
