President's March Letter

Hello everyone,

Baby quilts are a great quick and easy donation. I am sure the families who receive one of our special quilts will be very thankful. Even though I need more fabric like a hole in my head, I could not resist a set of fabric from the night meeting. It was so cute and will be great for a special baby girl. Remember this year we need regular donations throughout the year. It doesn't have to be complicated just cute. Hopefully the attendees of the March meeting got a head start. I plan to take advantage of the Saturday Stitch-In, April 11 to work on my donations. See you there.

The Saturday Stitch-In is a fun day of sewing or socializing(LOL) so bring a sack lunch and something tasty to add to dinner. Let Ann Groves know what you plan to bring so everyone doesn't bring the same thing, we like variety, Yum. Bring your projects and maybe a tool you love and would like to share or a technique we can use. It's a fun time. April 11, 9-9.

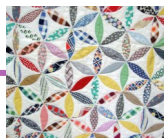

Rachel Phaneuf will be sharing skill building techniques during the day meeting April 9. Rachel and Charlie are donating a DVD of the techniques to Ways and Means to be sold for \$1. I have a collection of their DVD's from classes I have taken and use them regularly. It is really helpful to play it repeatedly sometimes, LOL. Come, enjoy and support your guild, buy a DVD!!

I know everyone enjoyed the March night meeting with Ali Winston. The math used in her quilts was fascinating, who would have thought its not just about the fabric. Ha Ha. More math and beautiful quilts, works for me. Join us April 23 for a trunk show by Rose and Tom McCowen.

It was nice to see members who have been unable to attend meetings.

Keep praying for them and being supportive.

Have a nice day
Tina Corbitt

Challenge Quilt

Hopefully all of you have checked the website and reviewed the rules for the Challenge Quilt. The rules are simple and leave LOTS of room to express your creativity and talent.

In recognition of the **Guild's 25th anniversary**, I'm hoping that we have the best participation ever!

IT'S BABY QUILTS FOR 2015

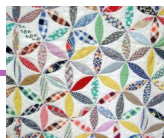

Diane and I have been out of town, celebrating the lives of family members. This reminds me of our project to honor new lives born right here in our community. These helpless new humans are like spring seeds ready to burst forth into potential. Like the new growth we see everywhere, these lives give me hope.

Please remember that our commitment is for 3 to 4 quilts per month, beginning now. Make the quilts a minimum of 36" by 42" please.

Each quilt needs to be washed when you finish it, so that the babies are not exposed to the chemicals in new fabric. If you are unable to launder your donation, just let me (Emily) know and I will do it for you.

Happy sewing, and thank you.

Emily

CRQG Program News

The list of the 2015 programs, workshops, and Saturday Stitch-Ins are posted on the website.

Our April 9th day program has been changed to a skill building presentation by Rachel Phaneuf. Her DVD will cover a series of skills that all quilters need to have such as binding and borders. Charlie plans to make many additional copies of the program that you can purchase for a dollar. The program should be over by noon.

The April 23rd night program is a trunk show presented by Rose and Tom McCowen. Tom is talented at creating his own original paper piecing patterns. Tom and Rose will return to the guild in August to teach a class. They plan to have a sample of what you will make in the class at their trunk show.

Looking ahead: Our May day meeting is a field trip to Tiny Stitches in Marietta and lunch at Café 33. For those of you who are new to the guild, when we have a field trip we go directly to the quilt shop that day. There will **not** be a meeting at Hunter Park.

We will meet at the shop at 10:00, and Maetha will have a demo or two and then we can shop. Plan on meeting up with friends to carpool.

The address of the shop is 2518 E. Piedmont in Marietta.

Don't forget to check out our website for upcoming programs, workshops and stitch-ins. We have our 25th anniversary celebration in June. Jodie Davis is presenting her quilt documenting project at the day meeting. Be sure to download the information and check out the video's that explain her project.
