From the President

As I sit here on December 9, enjoying, what is to me, is a slice of heaven....snow, snow, - 10 inches of beautiful snow. Yippity, dippity, do!! I cannot help but be thankful for the wonder of the Lord. I am so

grateful to be alive on this day and especially on yesterday when those big wonderful flakes were falling with swirling childhood memories of white Christmases in Knoxville, TN where I grew up. Since I don't like footprints in our snow, I suggested to Smokee that when he walks Jackson (3 times a day) that they try to walk in the same footprints they made on the first time out. Smokee looked as though that went in one ear and out the other - so disrespectful.

Getting on with my thoughts, I was thinking how blessed and happy I am to be among you - my creative quilting friends. I've learned something from nearly everyone. We have so much fun together and you are and have always been so kind to me so I just wanted to say "thank you." I pray that each of you have had a joyous holiday season. Wasn't our Christmas Party fabulous?

We will start the year with a program by two of our very own great instructors, Rachel Phaneuf and Linda Jones. More to come on that later. Also, please don't be afraid to volunteer to be our **Programs** chairperson. Linda Jones who was the chairperson for several years has a detailed notebook full of information to make it easy for anyone who has an interest in trying this out. In addition, you won't be alone as you can organize your own committee to assist you. In addition we need someone to do our **Newsletter**. I encourage you to step up and "let's get this party started!" Please send me an email at ronni@bellsouth.net if you are interested and let's talk about it. (Come onit ain't that hard!)

Cheers,
Ramona

Program News

The January 11th day meeting program will be **Color & Value: A Quilter's Tools**.

This is a class on how to use color and value to enhance your quilts. Rachel Phaneuf and Linda Jones plan to lead the group through a series of activities on how to choose great color combinations for your projects. Next, they will show you how value plays a major role in making your projects pop.

If you participated in Rachel's last class at the church and made a color wheel, please bring it to the program. Also, if you have a small bag of scrap fabrics bring them, it does not matter what size they are.
