## From the President's Desk

### MARCH MADNESS! THAT'S WHAT IT WAS.....

A Quilter's Gathering, open house and membership drive, was AWESOME. The food, fun, and a welcoming atmosphere was made possible by **you**. I was so excited to see all of you make our guild a place that anyone interested in quilting would want to be a part of. There were so many compliments from visitors and I want to extend those to you with a standing ovation on their behalf. Annie Kellum and her staff worked so hard (another standing ovation). I thank every member from my heart for making this event a success. I am anxious to see in the following months how many new members we will have. Please know that it takes several people behind the scenes to bring forth each meeting/program.

Acknowledgement and thank you from Annie: Food: Albertha Brown, Jeanne Anderson, Emily Poole, Terry Tinsley, Libby Armstrong, Selemma Haslerig and Rachel Phaneuf. Welcome & Visitor Table: Linda Jones and Debbie McDade. All those who chipped in when they saw my need for help.

The program by Candace Hassen was exciting and the quilts were just beautiful. I failed to mention that the grand door prize of chocolate and patterns were from her. That was so thoughtful and I apologized to her for failing to announce that in the meeting. She understood my excitement and frankly, she was excited to be a part of it. She was so kind in my negotiations to get her and she made it possible. Thank you for supporting her.

It is my goal for you to see a trunk show first, then follow-up with a class. That way, you can look forward to and be inspired to make one of the quilts. She will be back in May to teach the A Maze Zing quilt. I will go into more detail on what I consider in choosing workshops in upcoming meetings.

Little known fact: Someone prays **for** me for each meeting and sometimes another **with** me before a meeting. I want to be a good President and Program Chairman for our guild and those who pray for me know I want to give my best.

I look forward to April, Heaven only knows what that will bring. Lastly, I remember saying that it would be difficult to top February, but guess what?

Until next time....

## 2018 Quilt Challenge

### “Reach for the Stars!”

The main focus of your quilt should be stars. You may have star blocks, star arrangements, artistic stars, or even movie stars. When someone looks at your project they should be “seeing stars”.

We will have 2 categories, art quilting and traditional quilting. You can participate in either category, your choice.

Anything quilted and finished can be entered, such as tote bags, table runners, wall hangings, or quilts. The only size restriction is that the perimeter is 240 inches or less.

We are encouraging all members to participate and be a star in 2018!

The Quilt Challenge will be the program for the September 27, 2018 night meeting.

## Golden Scissors

We had 2 members who earned GOLDEN SCISSORS in the month of March.

Jill Stroer shared her beautiful “Coat of Many Colors” in our day meeting.

Ann Groves shared her “Crazy Cat Quilt” and her fuzzy “Pink & Animals & Horses OH MY” at our night meeting.

CONGRATULATIONS LADIES, on finishing your beauties!!
