MONTH OF A-MAY-ZING

HELLO EVERYONE!

We had our FIRST machine class of the year and it was fun, fun, fun. I think we all had a blast and most students were finished with their quilt tops by the next week. That makes me so happy and I can't wait to see your quilts in Show and Tell. Candace Hassen was a great instructor and she indicated that we had such a friendly and welcoming guild.

Dana, from Southern Stitches, Thomaston, GA did a demo - from cutting to stitching - that made making the Spiral Table Runner a super easy project. I realized that I had purchased the pattern a few years ago. The runner was displayed on the wall of a quilt shop and I thought it was beautiful so I purchased the pattern. It has been in on my bucket list to make. I do remember looking at it a couple of times and thinking that it may be a bit challenging. Then, arrives Dana and I was blown away. I can make this quilt in 3 hours - start to finish. Unbelievable easy. I was so happy and thankful that she did this program for us. Wasn't she a hoot?

We only have three more machine classes for the year so I hope that you will plan to participate. I understand how difficult it may be to bring your machine so let me assure you if you ask for assistance we will be happy to assist you. The remaining machine classes will be on June 14, Aug 9 and the last class will be on September 13. As an encouraging bonus, the Aug 9 class with Nancy Mahoney will be offered at \$10 for members only. This WILL include the pattern! I hope these classes will help you get a few nice gifts done and take a bit of stress off your Christmas list.

Your Committee Chairpersons and I are stepping up our game to make our guild more exciting and enjoyable than ever so stay tuned.

Lastly, the baby boy has arrived. It was a long labor and delivery, being that he was such a big boy - his head was very large and he was 11 feet in length - whew what a delivery! I'm very tired and I haven't had much sleep - but MAN-O-MAN AM I HAVING FUN. He's already weaned from free motion stitching because he does so well on his own - all by himself (my kids are so smart like that). All in all, Oliver is happy and doing well and I am thankful for your well wishes, your excitement, and for all you long-armers for getting me into this mess!

Until next time....

Ways and Means

A huge THANK YOU! to our generous guild members. We truly appreciate every single donated item from you. We have many wonderful and inspiring items for you to consider purchasing...at a dollar a ticket or 5 dollars for 6 tickets!

We will be out of town during the June day meeting. This means no Ways and Means table at this meeting...unless we have a volunteer to step up and manage our Sell Table for us while we are gone. Looking forward to seeing y'all again when we return in time for our June night meeting.

2018 Quilt Challenge

"Reach for the Stars!"

The main focus of your quilt should be stars. You may have star blocks, star arrangements, artistic stars, or even movie stars. When someone looks at your project they should be "seeing stars".

We will have 2 categories, art quilting and traditional quilting. You can participate in either category, your choice.

Anything quilted and finished can be entered, such as tote bags, table runners, wall hangings, or quilts. The only size restriction is that the perimeter is 240 inches or less.

We are encouraging all members to participate and be a star in 2018!

The Quilt Challenge will be the program for the September 27, 2018 night meeting.
