# Happy New Year

HAPPY NEW  
YEAR

## PRESIDENT'S DESK

“WHAT IS YOUR DEFINITION OF  
HAPPINESS?”

### The best time you ever had.

That describes our 2018 Christmas Party. Good friends, good fellowship and good food. I thought it was wonderful and I bet you did also, so be sure to let Terry Tinsley know how you feel. She and her group worked so hard and I want her to hear kudos from you.

I hope you each had a Merry

Christmas and now that we are in the new year, let's get this party started. We had two Executive and Committee meetings in 2018. I asked each person to set objectives on ways to improve our guild and each reached their goal. I am excited that you will see improvements in our hospitality and interactions with members, visitors and guests.

My goal, as your president is to keep you uplifted and encouraged. In planning for 2019, it was brought to my attention that we really don't have

a chance to get to know each other. I thoroughly agree as I don't have a chance to mingle as much as I would like so you will find that a fun event is planned in order to do just that. There is so much to look forward to this year so whenever you have the opportunity, please invite or bring a friend to one of our meetings. New members have expressed their enjoyment of what our guild offers and let me be clear – YOU are the reason. It is not one person that makes our guild great, it is all of us together.

Until next time...

## Ways and Means

Jennie Hollis and myself thank you for all your support during our year as your Ways and Means committee. We had a great time running this Committee. And now for 2019, we have our guild member Linda Kelley in charge of this committee. Please give her your support and remember to shop our Ways and Means table; it really helps raise money for our guild events and programs.

## 2019 Quilt Challenge

### *"Color My World"*

This year's challenge is to use a triadic color scheme in your project. Choose 3 colors that are equally spaced on the color wheel. You may use tints or shades of these 3 colors. In order to complete your design, you may use any neutrals such as white, beige, gray or black.

Suggestions:

- 1) Find a color wheel to look at. Did you make one in Rachel's class? Do you have a quilt book that has a wheel? Do you have a tablet or computer where you can Google "Color Wheel"?
- 2) Look at a color wheel and find 3 colors that are equally spaced around the wheel such as: green, purple and orange. If you choose this triad of colors you can use any shades or tints of green, purple and orange in your quilt. Next you can add any neutrals to your quilt.
- 3) **For fun but not required:** Download this free or cheap APP on your phone or tablet, **Color Wheel- Basic color schemes** in the app, click on the icon "wheel" in the lower left to change the wheel from basic to tints or shades of colors. Next click on the 2<sup>nd</sup> icon from the left at the bottom. This icon will show you all of the triadic color choices.

Your fabric choices do not have to be solids. Try using this challenge as a stash buster!

## SUNSHINE

December found Sarah Groves having dental surgery to remove her four wisdom teeth! Ouch that hurts! Wishing her a speedy recovery!

I am sorry to have to report that Irene Gardner and Jennie Hollis have lost their brother. He passed away just a very short time before they arrived in California to say goodbye! Please remember them with thoughts and prayers!

Go good to see Paula Miller is up and about at the Christmas Party after knee replacement! Now that is a hard surgery!

Also remember Linda Jones and her husband as he continues his treatments. Remember it is hard on the caretaker too!

Please keep me informed of those needing some Sunshine in 2019! Shoot me an email, text or phone call to keep me up to date!

I hope 2019 finds us needing less sunshine and everyone is healthy and strong in the New Year!

## GOLDEN SCISSORS

### Golden Scissors Report

A new year begins with new quilting projects. YEAH!!

There will be a small change in the paper work for Golden Scissors starting in Jan. '19. It is simple. Please give me an idea of the size of the "beauty" you will be showing. THAT IS ALL!! It is now listed on the regular paper you have always used for Golden Scissors.

**Saturday Stitcharama**  
**Still working on dates for 2019**

**Community Service**

Once again, Guild Members have been generous in giving to others! Placemats were given to the individuals who receive Meals on Wheels – 160 in the Spring and 158 in the fall. Quilts were given to the following – 26 quilts to Benton House and 26 quilts to Grace. Thank you to all that shared your time and talents to make something special for these listed.
