

PRESIDENT'S DESK

Hello everyone!

I hope you are enjoying your summer thus far. It's the time that many of you take vacations and sometimes that means you are not here to attend guild meetings. I perfectly understand that but I want you to know that you are missed. We have such a great group of members and it's important that you know I don't take that lightly. Seeing smiling faces from where I stand is so uplifting and encouraging.

So far, this year every committee has done a great job. Those who are in new positions are really striving to make our guild better — and they are. We have smiling faces and warm welcomes when you enter. The programs have been great and the Ways and Means table is awesome. On top of that we already have volunteers stepping up for next year's committees. Right now, we need a volunteer to organize the Rauction and an Auctioneer - could that be you?

As you know (if you read my email to you) that we are looking into another meeting location for 2020 and that has taken off so well with your positive responses that I am excited to see what the outcome will be will be.

Until next time.....

2019 Quilt Challenge

"Color My World"

This year's challenge is to use a triadic color scheme in your project. Choose 3 colors that are equally spaced on the color wheel. You may use tints or shades of these 3 colors. In order to complete your design, you may use any neutrals such as white, beige, gray or black.

Suggestions:

- 1) Find a color wheel to look at. Did you make one in Rachel's class? Do you have a quilt book that has a wheel? Do you have a tablet or computer where you can Google "Color Wheel"?
- 2) Look at a color wheel and find 3 colors that are equally spaced around the wheel such as: green, purple and orange. If you choose this triad of colors

you can use any shades or tints of green, purple and orange in your quilt. Next you can add any neutrals to your quilt.

- 3) **For fun but not required:** Download this free or cheap APP on your phone or tablet, **Color Wheel-Basic color schemes** in the app, click on the icon “wheel” in the lower left to change the wheel from basic to tints or shades of colors. Next click on the 2nd icon from the left at the bottom. This icon will show you all of the triadic color choices.

Your fabric choices do not have to be solids. Try using this challenge as a stash buster!

RULES

Anything quilted and finished can be entered, such as tote bags, table runners, wall hangings, or quilts. The only size restriction is that the perimeter is 240 inches or less.

The quilts are due at the night meeting in September. Judging two categories Traditional and Artistic, prizes for the 1st 3 places in each categories and fun.
