

The votes are in to move toward securing St. Julian's for our 2020 guild meetings. I am very excited that everyone is looking forward to this. I imagine this seems early to be talking about 2019, however, contract negotiations occur in August.

I would like to acknowledge and thank Denise Adams, our night Secretary and member of St. Julians, for her work in getting all the information and details, securing the 2020 dates and cost information. This was a huge bonus for us. Also kudos to Charlie Phaneuf for bringing this location to my attention. Thank you, thank you.

2019 Rauction is quickly approaching and we need to have the organizer and volunteers ready when it is time to set up. Good news is we have an auctioneer! Hopefully by the time this newsletter is published some of you will be thinking, "Hey, I want to volunteer for that." th and if so - THANK YOU! I already have boxes ready to donate and I am still going through my stash to let loose on more. Actually, it is so freeing to do so and I love seeing my remaining stash so beautifully organized - so I encourage you to dig deep for fabrics and quilting items to be auctioned off. This is our big fundraiser and since I've been in the guild, it has been such a fun event.

Please invite a friend or neighbor to a guild meeting. The more members we have, the more programs we can have with nationally known quilters. It is beyond our budget to pay for airline/travel, hotel accommodations and such for these quilters to come to us, and that is what membership, Rauctions, and Ways & Means does. These things also pay our rent and overall budget so in order to grow, each of us can help by increasing membership.

Until next time.....

2019 Quilt Challenge

“Color My World”

This year’s challenge is to use a triadic color scheme in your project. Choose 3 colors that are equally spaced on the color wheel. You may use tints or shades of these 3 colors. In order to complete your design, you may use any neutrals such as white, beige, gray or black.

Suggestions:

- 1) Find a color wheel to look at. Did you make one in Rachel’s class? Do you have a quilt book that has a wheel? Do you have a tablet or computer where you can Google “Color Wheel”?
- 2) Look at a color wheel and find 3 colors that are equally spaced around the wheel such as: green, purple and orange. If you choose this triad of colors you can use any shades or tints of green, purple and orange in your quilt. Next you can add any neutrals to your quilt.
- 3) **For fun but not required:** Download this free or cheap APP on your phone or tablet, [Color Wheel-Basic color schemes](#) in the app, click on the icon “wheel” in the lower left to change the wheel from basic to tints or shades of colors. Next click on the 2nd icon from the left at the bottom. This icon will show you all of the triadic color choices.

Your fabric choices do not have to be solids. Try using this challenge as a stash buster!

RULES

Anything quilted and finished can be entered, such as tote bags, table runners, wall hangings, or quilts. The only size restriction is that the perimeter is 240 inches or less.

The quilts are due at the night meeting in September. Judging two categories Traditional and Artistic, prizes for the 1st 3 places in each categories and fun.
