

September 2019 President's Desk

HAPPY SEPTEMBER!

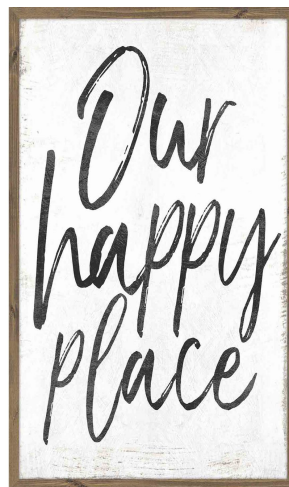

I would like to start off this newsletter by addressing an incident that happened during a Show & Tell. Yes, I'm going to call this one out, because I think it is important. The "Show" was a Betsy Ross Flag and the "Tell" was, I assume, a disgruntled shout out to Nike which included a word of profanity. The quilt was as welcomed as any, but the "tell" changed the dynamics and spirit.

To be very clear, our guild meetings will not be a platform for personal world views/issues, politics, etc. Our guild is a place that has always been a wonderful, happy and joyful place to be. The entrance is great place to park your problems. As for me, when I leave it's kinda nice not to even pick them up again. Our guild is a place to welcome visitors with open

arms, and show good humor and kindness. Members should reflect what our guild is about - "our happy place."

Lastly, saying goodbye is hard, but well wishes are good, so I would like to wish SARA SORENSON happiness and many blessings in her move to her beautiful new home in Blairsville, GA. Sara announced her departure at the August day meeting. She is a great quilter, teacher and longarm quilter. She has been a Cherokee Rose guild member for many years. Sara taught classes at several quilt shops during her career and is widely known for her longarm business. She also works with Annie Kellum in Programs. Sara, we will miss you. Godspeed!

Until next time.....

Ways and Means

Ways and Means will have the table set up at all meetings. Tickets are 6 for \$5.00 or \$1.00 each. This money helps to fund our Guild in many ways.

2019 Quilt Challenge

“Color My World”

This year’s challenge is to use a triadic color scheme in your project. Choose 3 colors that are equally spaced on the color wheel. You may use tints or shades of these 3 colors. In order to complete your design, you may use any neutrals such as white, beige, gray or black.

Suggestions:

- 1) Find a color wheel to look at. Did you make one in Rachel’s class? Do you have a quilt book that has a wheel? Do you have a tablet or computer where you can Google “Color Wheel”?
- 2) Look at a color wheel and find 3 colors that are equally spaced around the wheel such as: green, purple and orange. If you choose this triad of colors you can use any shades or tints of green, purple and orange in your quilt. Next you can add any neutrals to your quilt.
- 3) **For fun but not required:** Download this free or cheap APP on your phone or tablet, **Color Wheel-Basic color schemes** in the app, click on the icon “wheel” in the lower left to change the wheel from basic to tints or shades of colors. Next click on the 2nd icon from the left at the bottom. This icon will show you all of the triadic color choices.

Your fabric choices do not have to be solids. Try using this challenge as a stash buster!

RULES

Anything quilted and finished can be entered, such as tote bags, table runners, wall hangings, or quilts. The only size restriction is that the perimeter is 240 inches or less.

The quilts are due at the night meeting in September. Judging two categories Traditional and Artistic, prizes for the 1st 3 places in each categories and fun.
