President's Desk

The R'auction is over. We made about \$780 which is about half what we made last year. But we had fewer bidders. My daughter, Erin, made us a great spreadsheet which quickly totaled each person's purchases so we got out of the building much quicker than usual. Jackson ran the spreadsheet and he and Cooper helped with setup, take down, and hauling. Thank you boys!! Doors opened at 5:00 pm, auction started at 6 and was over at 8. We were out of building by 8:30. Thanks to Paul Feist for being our auctioneer! Thanks to those who set up chairs and tables and replaced them.

It's time to start thinking about officers for next year. Nominations will be in October, election in November, and installation at December Christmas Party. Let me know if you would like to volunteer for a position or keep the position you hold this year.

Running the R'auction is a no-brainer. Everyone brings boxes labeled with her name so we don't have to spend ½ day filling boxes as in the past. All the person in charge has to do is print up labels with the words BOX NUMBER, BIDDER, PRICE and slap labels on boxes before auction. Everyone pitches in to set up tables, chairs and take them down at the end.

Challenge Quilt 2022

This year's challenge is to illustrate a song that has special meaning for you, or a song that brings back memories, or a song that you simply enjoy,

Illustrate the song title or any portion of the lyrics from your song. All music styles are eligible (i.e. hymns, country western, Christmas carols, opera, musicals, etc.). The song lyrics you choose may be improvisations of the original lyrics.

The project size is wall hanging or smaller. Your project does not have to be quilt, but it must be a finished project made mostly with fabric and thread.

Your project must be something that you made. For example, if your favorite cat from the Broadway musical is Bustopher Jones, you should make Bustopher as a black cat with white spots and then stuff him like he belongs to 8 or 9 clubs. Dressing up a store-bought toy cat in a black tuxedo does not qualify.

Panel pieces are allowed, but not more than one-quarter of your project may contain an intact panel or a portion of a panel.

Challenge entries will be grouped into 2 categories:

Traditional Quilt - a quilted project with a top, batting, back, and binding; and,

Other - a finished project that is not a traditional quilt.

You may enter multiple projects in each category, but only your project which receives the highest vote total will be eligible for a prize. Entries will be submitted and exhibited at the October night meeting. Meeting attendees will vote for first, second, and third places in each category. Winners will be announced during the October night meeting and small prizes will be awarded.

Hi,

My name is Candace Hassen. I presented a trunk show and Class at Cherokee Rose Quilt Guild in 2018. I hope you are all doing well and able to get back to some semblance of normal. It has been a crazy couple of years.

Your guild members were so welcoming and kind to me during my visit. It really encouraged me.

I am writing to share something I am very excited about. Last March, I taped an episode of <https://thequiltshow.com/>, with Alex Anderson, and Ricky Tims. The episode will be available on September 25th, 2022.

It was so much fun to do the taping. Everyone at the show was so kind. Alex and Ricky are just as nice off camera as they are on camera. Even the entire crew was kind and helpful!

I hope you will check it out!

**Warm regards,
Candace Hassen
