Adding fun along the way!

A Message from the President:

I'm proud to say we had great attendance at our January meetings. My heart was warmed by this wonderful start for the year of 2006. We rolled up our sleeves, dusted off our new membership books and got rolling with the approval of our Guilds Budget. The business part of our guild is done and out of the way, we can relax and look forward to a year full of fun times together. Our committees are excited and energized and ready to bring us a year choc-full of new exciting presentations. They have already been working hard to bring us fresh new speakers with new ideas and techniques for all of us to learn and enjoy.

The best news is we have completed our Community project for 2005 with a total of 87 quilts! Amazing! Be proud of our group endeavor, we deserve the glory of setting a goal and completing it. We are an awesome force! Thank you one and all for your dedication and participation to our group.

Stay warm with a quilt or two,
Irene Gardner

February 9, 2006 – Day Program

Taffy McLaughlin – “Batik Quilts Trunk Show” and introduce the Batik Swap. Packets \$12.50 / 2 pks are needed to make a lap size quilt. Money due at end of day meeting.
Barbara Stevens - ”Valentine Keeper”

To make the Valentine Keeper wall hanging, you will need the following:

1/4 yd of 8 different valentine fabrics.

These are to be cut into 1 rectangle, 10 1/2" x 8 1/2" from each fabric (since you can get more than 1 from this fabric, I suggest that we swap some so that we can have a wider variety.)

7/8 yd of white fabric

Cut this into 2 rectangles, (1) 12 1/2" x 29 1/2" and (1) 16" x 35"

Batting 16" x 35"

If you can layer and quilt the white rectangles and batting together, it will speed up the project.

You will also need 97" of binding. This can be made from scrap strips of the valentine fabrics.

Please bring machine and sewing supplies to match fabrics.

This project should only take about an hour to finish if the background is already quilted.

February 23, 2006 – Night Program

Mary Anne Henderson from Red Hen Fabrics. She will tell us about “Fabric Design”.
