

Night Meeting Minutes

Night Meeting Minutes, August 23, 2007

Caryl called the meeting to order. Dori moved to approve the minutes of the July night meeting, Doreen Thornton seconded the motion and the July minutes were approved as written. Irene gave our current balance as \$2,938.49. Caryl presented a fat quarter candle to those with August birthdays. Caryl explained a new opportunity to expose the community to the world of quilting. A new section at Wellstar Douglas Hospital with a lobby, cafeteria and gift shop will open in October. They would like to display quilts in a locked cabinet and we would also have an opportunity to sell these quilts if desired. We agreed to monthly displays and a sign up sheet will be provided soon. Dimensions of display cabinet are being worked on.

Phyl reminded us about the Georgia Quilt Council Workshop on October 12th sponsored by our guild. She has all the info.

Caryl and Robin are reviewing the current Bylaws to make any recommendations to the guild. Phyl and Caryl will be appointing a Nominating Committee soon. Please let them know if you are interested in serving.
