

CRQG May Night Minutes - 5/26/2005

- Minutes approved as written/published with Vote # 7.
- Robin's report (Board Meeting Highlights):
 1. Newsletter will have a trial run on the web beginning (we hope) in June. User Name: rose, Password: needle at www.quiltsites.com.
 2. Order of Business: In order to streamline everything and allow for the speaker to have ample time (and refreshments), we're adding the Fat Q lottery, Door prizes, and Show and Tell to the meeting. That way, we won't be up running around and yakking when important things are happening (like you showing and telling).
 3. Show and Tell: if you have something to S & T, please don't be shy, hang it on the line, (we'll help), and when S&T begins, stand by your beauty. Stay there for the picture, and then stay there as the next person has their turn, and so on. Hopefully this will cut down on the noise and confusion that sometimes happens when we get together.
 4. Up for thought: possibility of starting 15 minutes early, end (hopefully) 15 ms. early. Those rushing from work? Getting up early?
 5. Denise: Fall Convention will be held in conjunction with a quilt show.
