

Mile-A-Minute Supply List

Instructor: Dorene Bickford

Lots of scraps, any size that is 6" or less and any shape

Lots of strips, (strips can be any width from 1 1/2"-3" inches.

The strips can be 18"-45" long. It doesn't matter if they are cut straight!

Sewing machine

Extension cord

Light (if you need one)

Power strip to share, if you have one

Scissors

Grey or tan thread for the top

Bobbins (this is a good project to use up all those odd bobbins of the thread that you don't want any more)

6 1/2" X 6 1/2" ruler

Iron and ironing surface

Rotary cutter

Rotary mat (you can use a small mat for this project. You can use either a 12" X 12" rotating mat or a 12" X 18" mat)

Straight pins are not needed

Something to throw your discards in (a thread catcher or a brown lunch bag taped to your table will work)

Anything else that will make you comfortable while you sew!
