President's Message

Someone told me that in any group 10% of the members do 90% of the work.

That does not apply to Cherokee Rose Quilt Guild. I am amazed at how people step up and take on projects.

When we didn't have a Ways and Means Chairperson, someone on the board suggested that pairs of board members take a month and come up with something to raffle. 20 people promptly volunteered. Linda Jones and Annie Kellum raised over \$120 on their raffle basket for Feb !! Brenda Senn raised Over \$60 on her ironing board raffle in just one night !

Lots of members do things for the guild and don't ask to be reimbursed.

We have 67 members. At the Feb night meeting 36 people voted to move our meetings from the Downtown Conference Center to the Hunter Park Community Center. The rent is the same: \$40/meeting and there is storage space for our 4 trunks. There are 100 parking spaces, so we should not be plagued with parking shortage which seems to have happened at every meeting downtown. Since more than half of the members voted to move, we don't have to vote at the day meeting.

**So starting in March, we will be meeting at Hunter Park, room #208.
Go in the front door of the new building, turn right, last door on the right.**

Directions: From Hwy 92, turn right on Broad St (hwy 78) go about 1.5 miles west, turn left on Gurley Rd;

Don't take the first Hunter Park exit on the left – that area is still under construction. Go to the **2nd left** – sign says HUNTER PARK COMMUNITY CENTER.

From I-20, take exit 34 and go North on HWY 5. Go thru red lights at the exit ramp, at the Wal-Mart turn, and at Rose Ave. About a mile from the exit, turn right onto Gurley Rd. There is a small sign that says Hunter Park. Take the **2nd right** – sign says HUNTER PARK COMMUNITY CENTER.

See you there. You'll be pleased with the facility – nearby bathroom has 5 stalls !!!

Minutes of the February Night Meeting, February 24, 2011(Continued)

By-laws Committee- Emma Parker, Jenny Hollis, and Charlie Phaneuf. Specifically they are charged to check into Article 9, #3. which deals with children as members and attendance. Please read for yourself. We were asked what our feelings were from three points. 1. Leave it as is. 2. Set an age limit. 3. No children. A vote was taken to narrow down the research: 17 for leaving it as is, 14 for no children, and zero votes for children above a certain age. There was a lot of discussion about safety, about passing along our passion, and about possibly having a sort of Jr. Guild. Not an easy decision for everyone

Challenge Quilt- These will be presented at the September night meeting. Prizes will be awarded. Check further in the newsletter/website for more details.

1. It must use only red and white or only navy and cream

Featured Member – Ann Groves

How long have you been quilting? I have been quilting now for about 28 years

Who taught you how to quilt? Jessie Quick got me started quilting when I started dating her son.

What are your favorite quilting techniques? I like the piecing more than anything else - I enjoy making eight point stars and Cathedral windows. I like to hand quilt - it is stress relief for me.

What are your favorite colors to work with? I like all colors but enjoy using greens and blues more than anything else.

What are your favorite fabrics to work with? My favorite fabric is cotton and corduroy.

What is your favorite quilt shop? I really don't have a favorite shop but do enjoy the Red Hen.

If you sew by machine, what kind(s) do you use? I have a Brother machine and I just got a Viking quilting machine from Jessie and will be trying my hand at machine quilting.

What inspires you to make a particular quilt? If I'm making a quilt for someone its usually what they want but I enjoy making one I have seen in a magazine but use the colors I like.

What is your favorite quilting book or pattern? Favorite pattern would have to be an eight point star.

On average, how many quilts do you make in a year? One average I make and finish around 8 - 9 quilts

Do you quilt your own quilts or do you send them out? I quilt my own by hand unless I can sweet talk Jessie into quilting one for me if there is a reason to hurry.

What quilt-related item(s) are you working on right now? Right now I am working on an eight point star rag quilt, I am hand quilting a quilt for my church for a raffle and of course my never ending cathedral window that I carry with me.

What other hobbies do you have? My other hobbies are cooking and reading and watching my little girl grow up. (way to fast)

Are you on any committees with the CRQG? At this time I am not on any committees.

Feel free to tell us more about yourself and your family. My husband and I have been married for 28 wonderful years, we have a 7 year old daughter (Sarah) who is also learning how to quilt, as well as cook and do all the things that interest her parents. I am an office manager for a building company in Atlanta - I have 3 bosses and take care of 18 different companies so the quilting really is my stress relief. We moved to Georgia in 1987 from Anchorage Alaska and really enjoy the people and the climate here.

PLEASE BE KIND!!

Please be sure to fill out the Golden Scissors and Treasurer forms **BEFORE** the meeting?

You can also download the forms from the Member Forms page on the website at this link

Bee News-

We had another great time at our February bee at the home of Jennie Hollis. There were 12 of us there. Jennie was a very gracious hostess and we enjoyed some wonderful food and fellowship. Denise had another one of her gadgets that we all decided we needed. You should have been there to see what it was! ☺

Our next bee will be **Thursday, March 17th, at 9:30 am at the home of Irene Gardner**. There will be a bee on the mail box. Irene always spoils us when we're at her house. We're planning to enjoy show and tell by Irene this month. She will be serving lunch. **Be sure to call Irene (770.949.7216) or email (i.gardner@comcast.net) her to let her know you will be there.**

Here is the blog site for those who asked about Irene's butterfly pattern.

<http://beeinmybonnetco.blogspot.com/>

If you have any questions about the bees, please call me at 770.439.5154 or email me at sandra7779@comcast.net. Everyone is welcome! Sandra Wilson, Beekeeper

Day Hospitality

We want to thank each one that brought food/goodies/chocolate to our February Day meeting. **IT WAS DELICIOUS!!**

By now you have probably seen our "Hospitality Honor Roll" sign in board. Several of you are so faithful in supplying the needs of the many, and we think you should be honored -- therefore, please make sure to sign in when you bring goodies to be enjoyed by everyone.

So the next time you see the following people, make sure to say "thanks for the snacks".

Lorene Brooks, Diane Johnson, Kathy Eck, Dorene Bickford, Charlene Shanks, Albertha Brown Emma Parker, Annie Kellum. Phyl Schiwal and Broach Winsley have done it 2 months in a row

So . . .what to bring next month -- We truly believe that Spring is on its way!! Let bring goodies that remind us of Spring and all the glorious colors. Spring brings every shade of green (veggies) along with yellows (eggs to cheese) and lovely pastel shades of pink and lavender (cookies to cupcakes). **THINK SPRING AND . . . Douglasville Conference Center, 6701 Church Street, Douglasville, GA 30135

Visual depth has fascinated artists for centuries. Karen has developed a quick and easy rotary technique that allows you to make quilts with a 3-D look. In the class, you will learn how to create quilts shown in Gallery 3 on the web site. Frankly, this is Karen's favorite class because it is so easy to create truly amazing quilts of illusion. Let Karen share her secrets, so you may become a master of illusions! www.karencombs.com

Karen will also teach this same workshop the next day in Cartersville and on Friday, she will teach "Christmas Cube" in Cumming. For more information on these workshops, visit the Georgia Quilt Council website at www.georgiaquiltcouncil.com.

Community Service Contest!!

So how many community service project quilts have you managed to make already? Would you believe I have already had one turned in! Ann Marie Mangiosi turned in a bright and cuddly quilt so we are off to a great start. I have used orphan blocks for one top, a charm pack for another, and have several more planned. Since they are small size they go together quickly which means we can make ALOT of them, correct?

A dear friend of mine gave me a great idea of how to bribe you. Did I mention I can be shameless? The idea is for you to make the CSP quilts - after you have made 2 quilts you can then enter your name 1 time for each **additional** quilt you make. What are you entering your name for? I'm glad you asked! I am putting together a basket of goodies -quilting goodies, of course - for you to win! Remember, I travel all over the country and visit quilt shops and will continue to pick up items along the way until August. Imagine winning a basket filled with goodies from different places just for a little effort? Come to think of it that basket may turn into a bucket or a tub or a
