President's Message

We're trying to set up a hand piecing and quilting class at the Douglas County Library for children this summer - June or July.

It will probably be two consecutive days. One day to piece and one to hand quilt.

We'll need volunteers to assist with class and help prepare fabric ahead of time. Save your scrap batting and cut us some scraps 4" square. Draw 1/4 inch seam lines on the back of the squares.

I'll let you know the dates and time...

Please Submit July newsletter
information by June 27 to Joany

There was not a day meeting and so there are no day minutes to report for May

Look, we are on the Scarlet Thread blog! Great photos of each of us!

After getting the full tour from Angela, they shopped until they dropped.

It was a little busy while they were there, but we had a great time!

Seeing double? No, there are twin sisters in the guild! How cute are they?

You can't see him but there is actually a man, Charlie, holding up his quilt that he made from the fabulous Kiyomi fabric.

Look at this. Is this not amazing? Stunning! Really, this photo does not do it justice.

Community Service!!

Since we are currently traveling a lot and I'm away from my sewing I am catching up on some reading. I'm reading a murder mystery in which the main character is a quilter. She talks about the victims of the murder and how their lives were a lot like her quilt - "finished, purposed accomplished." She continues to say that makes the rest of us "still works-in-progress, the final design a mystery, not knowing until our lives were over whether our pattern was pleasing or jarring, brought comfort and warmth to others or just lay on the bed and looked pretty."

Thanks to those of you who picked up the "kits in a bag" for the Community Service Project! I hope you have enjoyed making them. I know the kids in the **Douglas Co. Head Start Program** will love them! Please remember - if you took a kit you are responsible for turning that quilt in by the *deadline* of the *evening meeting in August*. I hope the rest of you have managed to do a CSP quilt also since they are small, manageable, and do not need to be 'fancy'! How awesome would it be to supply all 141 kids in this program with a quilt? Will you help?

So, what kind of "work-in-progress" are you?

**If you are getting involved with community service I'd venture to say that you
"brought comfort and warmth to others".**
