President's Message

A nominating committee has been selected:

Phyl Schiwal, Linda Herren, and Sandra Wilson.

They will come up with nominees for President, VP, Day and Night secretary and treasurer.

One person has already volunteered to serve. If you would like to chair or be on a committee or to be one of the 5 elected officers, contact one of the ladies on the nominating committee. If you haven't held an office ever or if it's been a long time, consider volunteering. That will keep Phyl from asking you to be President.

Ways and Means has done well this year. Since nobody agreed to be chair of that committee pairs of members have volunteered to take a month coming up with things to raffle or other ways to make money. Phyl and Dori made the guild about \$200 with their yard sale. I think that should be an annual event.

The program committee is probably the hardest working group – since they have to come up with 22 programs each year. I think we have 3 volunteers for that committee for 2012. We'd like to have 4 members on that committee and have 2 rotate off each year so there is continuity. This year's committee has done wonders with a greatly reduced budget.

I'll be teaching another machine quilting class Oct 1 for 9 – 1 or 10 - 2. If there are no more than 5 taking the class, it will be held at my house and we won't have to pay rent so all the money will go to the guild. Fee is \$10.

If more than 5 sign up, we'll meet at Hunter Park or some larger facility. You bring your own machine. Be sure you know how to drop the feed dogs and that you have a darning or quilting foot. They are usually a circular foot and may have a plastic plate with a hole for the needle. Some are C shaped. Bring 2-3 24" squares sandwiched with batting, muslin or light colored or plain fabric, and whatever fabric you don't like on the back – or muslin on the back. You don't want fabric with a design – hard to see what you are quilting.

Several people who took the earlier machine quilting class showed Head Start quilts that they quilted themselves!! Hooray for you !!!

CHEROKEE ROSE QUILTERS GUILD

Minutes of the July Day Meeting, July 14, 2011

Submitted By Phyllis Carpenter, Night Secretary
The Minutes will be online when made available

Note From Ways and Means

MANY MANY THANX go out to CRQGUILD for supporting itself well at the First "YARD Sale" at Hunter Park. It's obvious we like to eat !!!!! When confronted with tempting goodies those attending the morning meeting laid out \$89.10 to feed the sweet tooth among us all. Drinks were free, so IF the sweets had to be chewed, chew we did!! Darlene Wheeler gave Rachel Phaneuf a hand collecting the dimes and quarters. They were busier than a one armed paper hanger while a dozen others manned tables of treasures for bargain seekers. Those who did not rent a table and donated items for the Guild table, helped raise \$55 additional dollars for our treasury. The table renters contributed \$75 to the guild. In all, the Yard Sale netted \$211. 75. THANX FOR SELLING AND BUYING AND EATING OUR WAY TO SUCCESS. Dori and phyl

Quilt Til You Wilt

ESPECIALLY FOR ALL OUR NEW MEMBERS and of course, our regular members (notice I didn't say our "old members" in contrast to the new members) mark your calendars for the next Quilt Til You Wilt 5 November 2011, 9am to 9pm. We are planning, at your overwhelming insistence, to meet in the huge room at Hunter Park by the kitchen. There will be plenty of space to take TWO sewing machines IF you really plan to get a lot done !!! We'll even be able to have the ironing boards IN THE SAME ROOM with US !!!!! Details will be worked out as the time draws closer. Plan on a REALLY FUN TIME GETTING THANKSGIVING AND CHRISTMAS PROJECTS STARTED OR MAYBE EVEN DONE !!!!! One thing for certain, will be putting together the Quilt of Valor we started in the Spring. Jane and phyl

Programs

August 11-- Ellen Apte has been sewing since junior high school, but she didn't catch the quilting itch until the late 90's. Since then she's been exploring different techniques. Her favorites are Strips n' Curves, One-Block Wonder, making challenge quilts and creating quilts from photographs.

Ellen has won awards at the Georgia National Fair, East Cobb Quilt Show, and Chattahoochee Evening Star Show. She has exhibited at the International Quilt Show, Georgia Quilt Show, Quilt Art online show, The Art Place, and her quilts have toured the U.S. This spring one of her quilts will be in the Marietta/Cobb Museum in 'The Art of the Quilt' exhibit. Many of her quilts are in corporate and private collections.

August 25 -- Cherokee Rose has some fantastic quilters. Plan to bring any UFO's that you are not sure what to do with and get ideas from those knowledgeable guild members

Kaleidoscopes – Making Complicated Blocks Easy Workshop

(For larger photo of project..[click here](#))

When: October 8th 10am- 4pm with Sarah Sorenson
Cost: \$20 plus \$4 Kit Fee
 (The \$4 fee will be waived if we get 15 students)

Please pay Doreen Thornton to sign up for the Workshop (checks made out to Cherokee Rose Quilters Guild)

Our project will be easy enough for those new to paper piecing and challenging enough for those with experience.

Do Kaleidoscopes look difficult or intimidating with all those sharp points and numerous pieces? Learn the easy way in a paper piecing workshop on October 8th taught by Sarah Sorenson. Make one block to use it as the center for a medallion quilt or more blocks – the choice will be yours.

Sarah has been paper piecing for about 16 years, almost as long as she has been quilting. Her love for the technique of paper piecing is obvious when you see her miniature quilts and wall hangings. She has taught paper piecing classes and conducted workshop for a number of shops and guilds. In 2004 she had the opportunity to sew for Jodie Davis, a nationally known author and president of QNN in Jodie's book 10, 20 30 Minutes to Learn Paper Piecing. More recently, Jodie commissioned Sarah to complete the blocks needed for a full size quilt. Sarah has also taken classes with quilt designer, Judy Neimeyer, whose paper piecing patterns are absolutely stunning.

PLEASE BE KIND!!

Please be sure to fill out the Golden Scissors and Treasurer forms **BEFORE** the meeting?

Community Service Notes!!

I was introduced to a website several years ago that really helped me to de-clutter and re-organized my life. I use to be a fairly organized person but somewhere along the way came a husband and kids and things went haywire! The site talks about a "15 Minute Boogie" - doing a task quickly and then moving on as to not get overwhelmed and bogged down. I was really surprised at what I could accomplish in 15 minutes; my husband just thought it was some kind of new exercise program! I began to wonder what I could accomplish if I devoted 15 minutes a day to quilting. I challenged myself to spend 15 minutes sewing/quilting a day for 2 weeks. What I discovered was my 15 minutes often turned into a couple hours, proving that the time had always been there but I wasn't putting it to good use. I also realized that just getting started is sometimes my obstacle. Sound familiar?

The deadline for the community service quilts is upon us! The response has been awesome and I should have the finally tally next month. However, if you are still working on your quilt for **Douglas Co. Head Start** please continue to do so and get it to me ASAP! Haven't started? Consider the "15 Minute Boogie" method and you'll have it done in no time!

By the way, the website is www.flylady.net . What are you waiting on...get moving! Have fun and happy sewing!

If you're having trouble joining your binding, check out the site below. Go down until you see JOIN BINDING TAILS, leave about 8" free when you start sewing on binding, leave about 8" free when you finish - your two 8" pieces will overlap, this is to give you room to sew them together.

it's called KISS, TWIST, AND WIGGLE and I've been using it for years. Works great and is easy.
