President's Message

Elections are coming up.

We need you members to step up and take a job.
Or Phyl Schiwal will come after you.

We didn't have a chairman for Ways and Means this year. Pairs of members stepped up and provided things to auction off. This has worked out very well – we've made \$808.75 thru August. If our new chairman continues to do this, there isn't much work for him/her – just the Rauction.

I'm doing the Rauction this year. Bring your things to my house, 3492 Pine Grove Dr, Douglasville or to me at a September meeting or the October morning meeting. We usually raise \$800 at a Rauction so if you want to continue to have wonderful programs we need money !! Clean out your sewing room. Irene Garner brought a load of Quilter's Newsletters. If you're missing an issue, this will be a great time to get caught up.

Phyl, Sandra Wilson, and Linda Herren, leaders of the nominating committee, have a wonderful idea of pairing up old and new members on the same committee so the new one can learn and take over the next year.

Membership committee is a great way to get to know all the members.

September auction item is a thread cabinet Diane Johnson's husband made.

October auction is the string pieced blocks you have been making – I have 50 13" blocks so far.

November auction is an Ott Light donated by Denise Allee.

Programs

September 8

“Over and Under and Around” by Denise Allee.

Lecture and Demo with tips, techniques, including a hands-on project.

All supplies will be furnished. Nothing to bring but yourself!

September 22 Challenge Quilts Contest

Kaleidoscopes – Making Complicated Blocks Easy Workshop

(For larger photo of project..[click here](#))

When: October 8th 10am- 4pm with Sarah Sorenson

Cost: \$20 plus \$4 Kit Fee

(The \$4 fee will be waived if we get 15 students)

Please pay Doreen Thornton to sign up for the Workshop (checks made out to Cherokee Rose Quilters Guild)

Our project will be easy enough for those new to paper piecing and challenging enough for those with experience.

Do Kaleidoscopes look difficult or intimidating with all those sharp points and numerous pieces? Learn the easy way in a paper piecing workshop on October 8th taught by Sarah Sorenson. Make one block to use it as the center for a medallion quilt or more blocks – the choice will be yours.

Sarah has been paper piecing for about 16 years, almost as long as she has been quilting. Her love for the technique of paper piecing is obvious when you see her miniature quilts and wall hangings. She has taught paper piecing classes and conducted workshop for a number of shops and guilds. In 2004 she had the opportunity to sew for Jodie Davis, a nationally known author and president of QNN in Jodie's book 10, 20 30 Minutes to Learn Paper Piecing. More recently, Jodie commissioned Sarah to complete the blocks needed for a full size quilt. Sarah has also taken classes with quilt designer, Judy Neimeyer, whose paper piecing patterns are absolutely stunning.

PLEASE BE KIND!!

Please be sure to fill out the Golden Scissors and Treasurer forms **BEFORE** the meeting?
