President's Message

We have proposed by-law changes to vote on this month.

These changes are included in this newsletter.

Please review them before the October meetings so that you will be an informed voter.

October evening meeting is the R'auction.

If you can't get your donations to me before the meeting, bring them in shallow box(es) so that they can go on the auction tables without having to be handled again.

We only have 1 item to auction off so far so get to working cleaning out your sewing room

Kathy Eck is going to China shortly after the October night meeting so we won't have her services as auctioneer.

Carolyn Chapman will be our auctioneer this year.

We voted at the last two meetings on:

If the Douglas County Schools are closed due to inclement weather on our meeting day, Cherokee Rose Quilt Guild will NOT meet.

If the schools have delayed starting time, we will meet.

The delayed starts are usually because some of the county roads haven't been cleared.

Join the new Yahoo Group for our guild.

Kaleidoscopes – Making Complicated Blocks Easy Workshop

(For larger photo of project..[click here](#))

When: October 8th 10am- 4pm with Sarah Sorenson

Cost: \$20 plus \$4 Kit Fee

(The \$4 fee will be waived if we get 15 students)

Please pay Doreen Thornton to sign up for the Workshop (checks made out to Cherokee Rose Quilters Guild)

Our project will be easy enough for those new to paper piecing and challenging enough for those with experience.

Do Kaleidoscopes look difficult or intimidating with all those sharp points and numerous pieces? Learn the easy way in a paper piecing workshop on October 8th taught by Sarah Sorenson. Make one block to use it as the center for a medallion quilt or more blocks – the choice will be yours.

Sarah has been paper piecing for about 16 years, almost as long as she has been quilting. Her love for the technique of paper piecing is obvious when you see her miniature quilts and wall hangings. She has taught paper piecing classes and conducted workshop for a number of shops and guilds. In 2004 she had the opportunity to sew for Jodie Davis, a nationally known author and president of QNN in Jodie's book 10, 20 30 Minutes to Learn Paper Piecing. More recently, Jodie commissioned Sarah to complete the blocks needed for a full size quilt. Sarah has also taken classes with quilt designer, Judy Neimeyer, whose paper piecing patterns are absolutely stunning.

PLEASE BE KIND!!

Ben Hollingsworth Bio

- Retired (2006) Art Teacher, most recently in Fulton County at Haynes Bridge MS and Chattahoochee HS
- Former Adjunct Student Teacher Supervisor and Computer Technology instructor at Georgia State University
- Grew up in Jackson, Mississippi
- Resident of North Fulton since 1973
- Wife - Jackie Hollingsworth, Music Teacher with Fulton County (died October, 2010)
- Two children (both Librarians), two grandchildren (both boys - 2 more boys due in December)

As a teacher I taught everything from jewelry making to sculpture, printmaking, photography, drawing and painting, ceramics to research skills and assisting my wife with a general music class and producing musicals.

After retiring in 2006 I joined the Chattahoochee Evening Stars Quilt Guild in Alpharetta where my wife was a member. I made my first quilt the next year for my first grandson and the rest is history.

In 2008 I joined the East Cobb Quilt Guild and am currently responsible for hanging our show in September and next year will be chair of the Challenge Quilt competition. About four years ago a small group of fiber artists in Cobb County formed a group called Fiber Art Fusion. I joined the group the next year and now I serve as President. We are a group of artist who work with fiber in traditional and contemporary methods.

I have won, two viewer's choice ribbons, a sponsor's choice ribbon, several blue ribbons and a red ribbon and my bee group's quilt won first place and Best Original Design award in the CES 2010 show.

I very seldom choose to do something I have done before. My quilts sometimes take a traditional design and put a new twist on it. Many of my pieces have a humorous twist. My best quilts are those that require the viewer to spend some time thinking about what the work is about.
