July 2012

## President's Message

The Dog Days of Summer have arrived early! Let's hope they depart quickly! I hope that each and every one of you have a safe and happy July 4th. What a great country we live in - Happy Birthday America!

We are now half way through 2012. I have asked the various committees for an update on their activities and budget. Some of these will be discussed at a Board Meeting before the July night meeting on July 26, at 6:00. I would love to see you there. Please try to be prompt so that we can conclude the meeting by 6:45. If you have complaints, ideas, changes you want to see, etc. please come to the meeting so that it can be discussed. If you like, you can also e-mail me at [birdie-holt@yahoo.com](mailto:birdie-holt@yahoo.com) with anything you would like to see brought up. Remember, Cherokee Rose is *your* guild.

Several of our members had been absent for several meetings and it was good to see most of them at one or both of the June meetings. If you notice that someone has not been to a meeting for a while, please let me know so that we can make sure she/he is okay and see if they are in need of anything - even if only cheering up or encouragement.

We've had a wonderful response, so far, to our Community Service Program. Thank you to all who have taken the time to donate your time, talent and stash! It really is so little to do that will mean so much to someone else. Keep up the good work!

A couple of people have brought up the fact that our "barn quilt", in Douglasville, appears to be in need of some brightening up. I hope to be talking to the person in charge during the first week of July. I will let you know what I find out.

The Program Committee is already working on programs for 2013. If you have any ideas or a specific technique you would like to see, please let them know. They have done, and are continuing to do, a superb job!

It's only July, but I hope that several of you are considering what ways you can be of service to Cherokee Rose Quilters Guild in 2013. Start thinking ahead about what office you would like to hold or what committee you might like to be a part of. A nominating committee will be put together in August to begin the quest. If you are interested, please let me know and I will be happy to pass it on to the committee when it is formed.

## PROGRAMS

For the July meetings we will have as guests Tracey Morgan and Johnnie McKenzie from Kiwi Quilts. At the July 12<sup>th</sup>, day meeting, they will introduce what's new at the shop and bring some goodies for us to buy. After the introduction, we will have lunch and prepare the room for sewing. They plan to teach two related ideas: First the Jewel Box Quilts called the "Banded Agate" which uses the 5 & 10 templates and then the "Woven Basket" from the book Quilts Without Corners. If you plan to participate in the sewing part of the program you will need a list of supplies from Linda Jones, so please call or email her so you will have everything you need to make a beautiful round quilt.

On July 26<sup>th</sup>, Tracey and Johnnie will return with more ideas to share with us. At the night meeting, they plan to give a brief summary of the Phillips Fiber Art quilts, demonstrate folded quilting techniques such as the folded Bow Tie Quilt, and share again what's new at Kiwi Quilts this summer.

**August Day Meeting:** Robin Meyers and Emma Parker will teach us Trash to Treasure - Pineapple Block technique.

"Come and Make scrappy pineapple block - you won't believe how great those 1.5" strips can look! Any quilting fabric works! You'll need a sewing machine, 1/4" foot, rotary cutter, cutting mat at least 12" square, an iron and basic sewing supplies. Can't bring your machine, but you'd like to learn this block? Well, find a buddy bringing their machine and offer to be their helper - you can press, cut or pick the next strips - it's a good two-person project.

Robin has offered to bring her bin of strips for everyone to use. So if you don't have strips you won't have to cut up perfectly good fabric.

**Trash to Treasure website:** <http://colourfulstitches.com/trashtotreasure.html>

You will need the special ruler for this project. It will cost \$5.00. If you would like to purchase one send me an e-mail [doreen\\_gene@bellsouth.net](mailto:doreen_gene@bellsouth.net)

## Thanks to Program Committee

The Program Committee really outdid themselves for the Christmas Ornament Workshop on the 14th. Our room at Hunter Parks was decked out with 3 Christmas Trees. Sandra Wilson had one full of sewing notion ornaments. Doreen Thornton had her Jim Shore Nativity set up. The Committee had a 6 foot tree full of hand made lollipops made out of double yo-yos for each guild member in attendance and the speaker, Sara Sorenson, had her tree full of paper pieced ornaments. There were Christmas characters around the room and on the sign in table. The best treat of all was a plateful of stuffed strawberry Santas had made by Doreen with black sesame seed eyes each placed individually on the tiny face. The Program Committee just outdid themselves radically. As I look back on other things Doreen has done to the extreme, I'm reminded of a time at the Lithia bank building when she had home made special toppings for crepes made on the spot, individually for each member. How can you ask for anything better than that when it's tied to our love for all things "quilted,". Phyl

### INTERESTING THINGS HAPPEN WHEN YOU GIVE AWAY A QUILT

By Broach

9 years ago we have a family reunion on my mother's 90th birthday. Her grandniece, Katie, shares that same birthday and Katie was 9 yrs old. I had a bug jar quilt which I gave Katie. Turned out that her nickname was Katie Bug so that was a great hit. 4 years later we had another family reunion on Mom's 94th and Katie's 13th and Katie got another quilt. Recently Katie's mother told me that Katie is now 18 and going off to college with both quilts. She has slept under them ever since she got them. I told her to save her college t-shirts and I'd make her a quilt. Turns out she had just gathered up her high school t-shirts and asked her mother to find someone to make a quilt. Guess who will now be making another t-shirt quilt? Will I make another one in 4 years?

### Fashion Show - November Day Meeting

Think about maybe using other fabrics other than cotton, like silk dupioni or home dec. Or maybe - what could you do with a "ready to wear" garments?

Doreen
