President's Message

With the Dog Days of Summer behind us (hopefully!) we can start concentrating on the beautiful fall and winter fabrics that keep us warm on those cool evenings. Personally, I hope we get some COLD ones!

August was a fun, busy and productive month.

Robin Meyer and Emma Parker did a wonderful job teaching us the Trash to Treasure Pineapple block, to which I quickly became addicted! What a fun way to use up scraps or even get creative with color and design. Denise Allee sharpened a lot of our skills and taught us that the One Block Wonder is just that. The designs that come out of one piece of fabric are endless. I find myself looking at fabric in a whole new way! As I've said before, we have a tremendous amount of talent in this guild, and thank you to all of you who have shared your talents with the rest of us.

As I've announced in the last couple of meetings, we have a nominating committee hard at work to give us a slate of officers for 2013, as well as filling many committee spots. If you are interested in any position, please contact Emma Parker, Annie Kellum or Robin Meyer. Please help support your guild by participating. This is an opportunity for you to really add your special touch to making the guild a success. Some of you may not be available to participate by filling a position - but be assured that just by coming to meetings and joining in the fellowship with other quilters that you are participating and giving life to our guild.

I hope you're all working on your Challenge quilts that are due at the September night meeting. Bev Mahle has truly challenged us to "think outside the box" on this one. This is a real opportunity to be creative in every sense of the word!

October is just around the corner and the October night meeting will be our annual R'auktion. You can bring your items to one of the meetings or contact Libby Armstrong. Please remember that fabric should be appropriate for quilting, and other items should be useable and in good or better condition. It's always a fun time and exciting to watch an occasional "war of the bidders"!

Remember, too, that the Southeastern Quilt and Textile Museum will be opening Saturday, Sept. 15 at 10:00 A.M. Check the August newsletter for the address and more information.

As always, if you have comments, questions, ideas, etc, please feel free to contact me at birdieholt@yahoo.com or 404-786-7346.
