November 2013

President's Message

Jack Frost has shown his face, the leaves tell us that Fall is here and hot, spiced apple cider is the warmer upper of the day!

First, I want to congratulate everyone for, what I believe is, the most successful R'auction on the CRQG record books. As of this writing, the preliminary count - including the auction, raffles and cash donations, is \$1,580!!! Thank you Bonnie and Jennie for doing a great job all year as our Ways & Means Committee. Thank you, too, to all who attended our R'auction and turned other members' unwanted items into *your* treasure! This event is our major fundraiser and enables the Programs Committee to continue to provide quality programs for our guild.

Later in the newsletter you will see a page of ads for local businesses that donated products, services or made cash donations to help make our R'auction a success. Please take a look at the local businesses and try to make it a point to patronize them and let them know how much you appreciate their contribution. A "Thank You" note has been sent to each of them on behalf of CRQG, but a personal word from you means so much more.

This month we will hold elections for the 2014 officers for Cherokee Rose Quilt Guild. Please attend the meetings so that you can vote. You may only vote at one meeting, but we would love to see you at both meetings! Absentee votes will be accepted if received by the presiding officer prior to the second meeting at which the vote is taken (November 22).

November 2 is our last Saturday Stitch-In for the year. Let's make it a huge success! Please check-in with Robin Meyer with any questions or if you need to know what is needed for our dinner that day. I look forward to seeing many of you there. Robin's e-mail and phone number are listed on the website under the Saturday Stitch-In tab and later in this newsletter.

Happy Trails!

Bee News

The October Bee was at Joany Orsi's new store, Pickleweeds Quilt Shop on Stewart Pkwy. We all had a GREAT time...awesome store, Joany!

That's takes us out on a high note since it was our last Bee of 2013. Because of Thanksgiving, we're moving the night meeting to the third Thursday so those unavailable during the day can attend a meeting before the year is up. Thanks everyone for another spectacular year! The next Bee is January 16, 2014, at Broach Winsley's.

These will be presented at the November Day and Night meetings for voting. The Nominating Committee has also filled all committee positions except for Ways and Means. Please consider volunteering for this committee.

Ways and Means

Thanks to everyone's help with the R'auction, we raised over \$1,500 for the guild! We appreciate all the items donated by everyone, the volunteers who carted all the items to Hunter Park and the gals who helped us set up. Thanks also to the gals in the blue aprons who helped us at the R'auction itself; Libby Armstrong, Dori Holt, Irene Gardner, and Marilyn Bradley. Also, kudos to the hard work put in by Tina Corbitt and Linda Jones at the payment table! If we have forgotten anyone, please forgive us, but we appreciated each and everyone! We could not have done it without you all!

We also had donations from several of the local quilt shops and area businesses. You will see their ads in the newsletter. Please frequent their businesses and tell them "thank you" for their support.

Bonnie & Jennie

P.S. We are still selling raffle tickets to win your dinner at the Christmas party and time is growing short! We will draw our winner at the night meeting on November 21. If you have already purchased your ticket, you can still win and your ticket price for the party will be reimbursed.

Bonnie McLain (678-398-7536, bmmclain@aol.com); Jennie Hollis (770-942-9798, 6jrhollis@gmail.com).

CRQG Program News

At the November 14 Day Meeting, our program will be presented by Doreen Thornton, who will show us "what you can make with small pieces of fabric." We plan to stay until 3:00pm – so bring your lunch. We will be creating many items from small pieces of fabric. Doreen says she is looking forward to sharing the day with you!

All the fabric and supplies will be provided for you, but if you want, you can collect the fabric pieces that you usually find yourself throwing in the trash. (even the tiny bits that you don't think can be used for anything) for the next couple of weeks and bring them with you to the meeting.

Equipment-wise, you will need to bring your sewing machine, rotary cutter and mat, thread - some dark, some light and a green or red. If you are unable to bring your sewing machine, that's ok, you can assemble your projects and take them home to sew.

Rounding out our recent applique tutorials, Linda Herren will teach us hand-applique at the night meeting on November 21. A list of items to bring will be sent out by email before the meeting. Note: this is our last regular meeting for the year, so let's make it a good one!
