President's Message

Wonderful Quilters,

It is hard to believe, but May is already here. And. . .it is beautiful! This month brings so many opportunities to quilt. If friends and family know you quilt, they will expect you to make that perfect wedding or graduation quilt. And. . .I am sure you will not disappoint them.

I hope you were able to be a part of our April Day Meeting!! Sandra Wilson did a great job teaching us a beautiful table topper. Everyone worked hard and had so many wonderful colors. I look forward to seeing all the terrific table toppers together one day soon.

Tracy Morgan, owner of Kiwi Quilt Shop, brought so many wonderful bolts of fabric to our night meeting. It was so much fun to get to know Tracy better and get to know one of her teachers, Johnny, as well. Johnny shared the ease of using the "square in a square ruler." You need to visit Tracy's shop in Powder Springs; you will be pleasantly surprised.

Myself, along with the entire Guild, want to send congratulations to our own Robin Meyer and her beautiful quilt which was on display at Paducah at the annual show. We are so proud of you, Robin!!! Someday you need to ask her how her prize winner began as an "oops." SMILE

And now for this month's assignment. Find a member of the Program Committee and say "thanks." Have you taken the time to look at the list of programs scheduled for this year? WOW! Robin, Linda, Doreen, and Emma have really made fabulous choices to excite our quilting hearts. We are going to enjoy everything from beads and trim to the history of quilting and then into the future of quilting. WHAT A TEAM!!!

In closing, I wish you many straight seams and no "unsewing." With pride in YOU!!!!

Rachel

QUILTING CHALLENGES AND PLANS

Challenge Quilt: We have about 30 people who have chosen a fat quarter for the challenge quilt. We still have several fat quarters left and it is not too late to draw a fat quarter. This is going to be exciting as all our quilts will be different and any size you want.

Museum Raffle Quilt: Approximately 15 members met on Tuesday, April 13, to construct paper-pieced blocks for the museum raffle quilt. After 5 hours of sewing (the committee provided pre-cut fabric to make this part of the effort easier) all of the blocks slated for completion on this date had been completed or sent home to be finished. We anticipate scheduling another work day later to finish this project. Be on the lookout for dates, times, and locations. Plan to be a part of this Guild effort!

COMMUNITY SERVICE

Pillowcases for the Boys and Girls Club – Our current total stands at 171! We are well on our way to our goal of 175. . .and you thought it sounded impossible when I first mentioned it! Joyce Hill continues to lead the way in the individual number turned in with 94. . .she said it was a great way to use up all her odd ball and leftover fabrics. Maybe you can do the same with some of the fabric you've been hanging on to, and then you could buy more! I'll be glad to take 1 or 50, it doesn't matter—JUST DO IT!

Quilts for Douglas County Homeless Shelter – An offer was "put on the table" by a very generous couple in our Guild as a reward for those signing up to do a CSP quilt. The signup sheet was sent around the day meeting and filled quickly. Those who signed up to do a quilt will be treated to dinner at Rachel and Charlie's home. I will list all those who will be rewarded in next month's newsletter. **Emma Parker has suggested that members also donate travel-size toiletries that could be included with the quilts and given to the shelter's clients.**

Due date for both of these projects is set for August 1st, or the August day meeting. I will be glad to take them prior to this as I know some of you have quilts almost ready to hand over!

HELP WANTED

I need another person who is available at the day meetings, especially during the summer, to lend a helping hand. I will be traveling some this summer so I need someone who can gather any quilts/pillowcases that might be turned in at the meetings. Hours are short, no additional travel, pay stinks but the rewards are priceless! See me at one of the meetings or call me for further details. Thanks!

Beverly

WAYS AND MEANS

The winner of the day meeting raffle for April was Linda Jones. We made \$114 at the day meeting from the raffle and items sold.

The night meeting raffle was won by Albertha Brown, and we made \$56.

The raffle for May will be the same for both the day and night meetings, the quilt created by our own members in the paper piecing class taught in February. This beautiful wall hanging will be awarded through a drawing at the end of the May night meeting. Tickets are available for \$1 each or 6 for \$5 and may be purchased before each meeting and during the break. Money will **NOT** be taken for raffles during the meeting.

We know that spring cleaning means cleaning up that sewing room. . .so don't forget you can bring your items to the next Guild meeting and place them in the container that we have at every meeting for any R'Auction items. You don't have to wait to give them to us. Thank you to all our members for supporting our efforts to raise money for the Guild. You're the BEST!

PUBLICITY

Quilts by Rita Perez (The Gathering) and Betsy Montemayor (Betsy's Blue Posies) have been hung in the main entrance to WellStar Douglas Hospital. Be sure to stop by to see these beautiful works of art. These quilts will be featured in that area through June when they will be replaced by two new selections.

Reminder! The Douglas County Library display has been confirmed for June and July. Please contact Caryl Knox if you are willing to volunteer to help set up the display or have an item(s) small or large you are willing to share for that time period. You must have a label on your item even if it is a "stick on address" label. The display case is kept locked with no access. Take a peek in our historian album to see what CRQG has done in the past. Let's give it our best shot and **"show off"** some of your precious creations. Set up will be June 1 at 10 a.m., Selman Drive, Douglasville Library. Let's have a great time, dazzle the community with our creativity and DO LUNCH!

Rita Perez
The Gathering

Betsy Montemayor
Betsy's Blue Posies

Tubs are available at every Guild meeting for depositing items for the annual R'Auction. Remember as you do your spring cleaning to set aside those items you plan to donate.

APRIL - MAY BEES

April Bee. Eleven members gathered at Diane Johnson's for the April Bee. Diane, Bev Mahle, Sandy Capazzi, Queen Esther Smith, Sandra Wilson, Albertha Brown, Emma Parker, Joyce Trew, Ann Marie Mangiosi, Dori Holt, and Denise Allee stayed busy as they cut, sewed, did hand work, visited, and exchanged ideas. Coffee and monkey bread muffins greeted everyone; when lunch time arrived, we all enjoyed a variety of salads followed by homemade chocolate chip cookies. This was another great opportunity for all of us to get to know one another better while gaining valuable information about new projects and techniques. The Bees are a perfect time to share ideas and to collect new recipes.

May 13th Bee. The May Bee will be held at the home of Caryl Knox. Attendees can purchase 10 minutes of massage for \$10 while enjoying the fellowship and fun of the Bee. Please RSVP to Caryl so she will have enough lunch for everyone.

NO LIBRARY CARD NEEDED

We have no new books this month, but a couple of books already in our library are worthy of our attention.

A Pocketful of Whimsy by Kathleen Rindal Brooks was donated by Dorene Bickford. This is a fun book full of ideas for making small sewing items for yourself or as gifts. I liked the bookmarks best; they are easy to make and are especially nice to give teachers. The patterns are full size and directions are easy.

Full-Size Bed Quilts from Leisure Arts is a good book to use when you have made too many wall quilts. The book has both traditional quilts and a variety of intriguing designs. All bed size!

JoAnns' Guide to Creativity is full of crafting, quilting and sewing projects. It will get you out to JoAnns to buy fabrics and crafting supplies.

WORKSHOPS ON THE HORIZON

July Workshop

Mark your calendars now! On July 31, Patti Howell and Doreen Thornton will teach us how to make Ricky Timm's Kaleidoscope Quilt! The workshop will run from 9:30 to 4:00 and is best for intermediate and experienced quilters. Because a lot of one-on-one help will be offered, space is limited to 15 students. There will be a fee to cover expenses.

September Workshop

Beads, Beads, Beads

Nationally known quilter Mary Stori (www.marystori.com) will teach us beading techniques that have practical applications for quilts and garments. Mary offers an in-depth discussion about beads; the care, storage, equipment needs, and stabilizing methods. In the morning, we will create a reference sampler of basic stitches. We'll also learn to attach beads, charms, buttons, trinkets, & unusual objects. The afternoon focus is more decorative stitches, including picot stitch, chain stitch, branched fringe, netting, bugle bead walls, bead embroidery, and more. Mary uses live video projection, so everyone has a front row seat! No sewing machines or prior beading experience needed! The fee is \$35 for CRQG members; \$45 for non-members. The workshop will be opened to non-members on July 1, so sign up soon. A kit fee of \$10 payable to Mary is also required. It contains all the beads, embellishments and thread that you will need. Supply lists to be provided.

56" x 56" *Kaleidoscope Quilt* 2002

FEATURED MEMBER ANNIE KELLUM

How long have you been quilting? 12 years

Who taught you how to quilt? I taught myself from reading books and a few lessons from different teachers at Cornerstone Sewing. Also, the classes that I take from Rachel and Charlie's Small Group at the Church have improved and increased my knowledge so much more than I can get from reading alone.

What are your favorite quilting techniques? When I first started, I loved to do flying geese. At present, I am into log cabin blocks.

What are your favorite colors to work with? I love bright colors. Yes, there are even some bright in the brown tones.

What are your favorite fabrics to work with? I love batiks and any cottons that read as solids.

What is your favorite quilt shop? Red Hen

If you sew by machine, what kind(s) do you use? Viking

What inspires you to make a particular quilt? The challenge of doing a new technique inspires me when making a particular quilt.

What is your favorite quilting book or pattern? Eleanor Burns' "Quilt in a Day."

On average, how many quilts do you make in a year? Four to five large ones and several baby or lap size quilts.

Do you quilt your own quilts or do you send them out? I quilt the small sizes on my own. The larger ones get sent out.

What quilt-related item(s) are you working on right now? A baby quilt, requested by my daughter for a friend of hers, and a paper pieced star quilt that Linda Jones gave me.

What other hobbies do you have? I like reading and cooking when I am not sewing.

Tell about one way that quilting has changed your life. Quilting keeps me centered, and it has always been my plan to quilt once I retired. I am so glad to be able to live my dream. Quilting is my passion.

Are you on any committees with the CRQG? I am on the phone committee.

Feel free to tell us more about yourself and your family. I am 64 years old, the wife of Jim and the mother of two grown children, Joseph who is 42, and my daughter Katherine who is 35 years old. I am also the proud grandmother of Asher who is 9 years old. I was born and raised in Mississippi with 12 other brothers and sisters.

After high school I moved to San Diego, California, to live with my oldest sister. There I met my husband who had moved to San Diego via Alabama; talk about moving 3,000 miles just to meet someone from next door! After 2 years of dating, we married and moved to Hawaii for 3 years, then back to San Diego for another 3 years. We then moved back to Hawaii for 20 years until he retired from the Navy in 1992. We moved to Douglasville because we wanted to stay out in the country; little did we know that the city would come to us.

Being a member of the CRQG gives me the companionship I shared with other military wives before we retired from the military. Being in the CRQG community, I know that I will always have something in common with other members and that is a very good feeling.
