President's Message

August—How did it get to be August so quickly?

Although some of you just might be thinking, “August—thank God, things will return to normal!” SMILE I know some of you have had the kids home from school and some have cared for grand kids through the summer and you are ready for a “regular” schedule again. I still remember how that goes. (Another big SMILE)

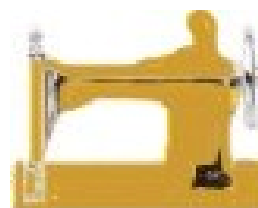

Anyway, if you were able to come to the meetings in July, you found a new charm waiting for you. Starting last month, you can now receive an additional charm for your beautiful quilts. If you **hand quilted** your Golden Scissors show piece, you will receive a “golden thimble” charm; and if you **machine quilted** your Golden Scissors show piece, you will receive a “golden sewing machine.” Of course, everyone will still get their scissor and pin charms as usual. These new charms are really cute and you will be proud to display them, I’m sure.

I am so proud of our Guild! When I offered you the challenge of being a “giver,” so many, many of you took the challenge! YEAH! As the ladies would pick up their little pieces of funny fabric, I heard lady after lady making plans of just what she would be creating to “give away.” You guys are AMAZING! The August Day and Night meetings are looking like a lot of fun as you give away and receive these quilted gifts. I repeat, you guys are AMAZING!

Enjoy August. Relax! Sip cool tea in the shade. Because Christmas is just around the corner. SMILE!

With Great EXPECTATIONS,

Rachel

PUBLICITY

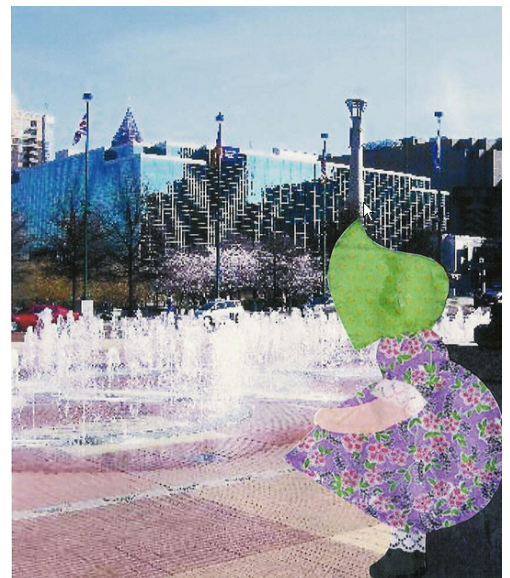

As of the publication date of this newsletter, WellStar Douglas Hospital had not changed the quilts that have been on display for the past several months. Sandra Wilson will keep the membership informed about when the new quilts will be on display.

WHERE IS SUNBONNET SUE?

Don't forget about our new contest, "Where is Sunbonnet Sue?"

Each month Sue is depicted in a different undisclosed location. It is your responsibility to find out where she has traveled to and submit your guess at our guild meeting.

All submissions must be made in writing and placed in the Sunbonnet Sue game basket at the guild meetings. And remember. . .only one submission per member per month is allowed.

CHALLENGE QUILT: SUNBONNET SUE

My Challenged Sunbonnet Sue is out buying a bigger suitcase. She needs more fabric to represent her CHILDHOOD STATE. She also went shopping for more fabric to make a new outfit, and since she couldn't decide on the fabric in the store, she decided to buy it all and take it home to decide. "I didn't mind at all," one quilter admitted. Some people even traveled 3,000 miles to find just the right fabric!!!

I hope your Sunbonnet Sue is dressing well to represent YOUR childhood state of residence. Challenged Sue is due in/on her state quilt at the night meeting ON THE 24th of September. Sunbonnet Sue and all of us will be treated to an Ice Cream Social for the fun, creative work.

Remember to put a label on the back—BUT, cover it up. Keep her face hidden. Make sure your quilt is in the form of a SEWING MACHINE COVER. Deliver Sunbonnet Sue in her clever duds on her childhood state quilt in a plain brown wrapper. Her owner's identity is a SECRET and will be revealed AFTER THE ICE CREAM and melted chocolate sauce and maraschino cherries and nuts have been eaten and enjoyed.

COME prepared to tell some childhood memories of yours that you want Sunbonnet Sue to share about growing up in Colorado, Nebraska, New York, Florida, or Delaware or WHEREVER.

FEATURED MEMBER**JEANNE ANDERSEN**

How long have you been quilting? This time—about 10 years.

Who taught you how to quilt? Everyone. I was a sewer who wanted to know how, and I took a couple of classes well over 20 years ago and didn't find anyone who wanted to do more than that. So, I waited until I saw a class here in Douglasville. . .

What are your favorite quilting techniques? I haven't been able to do one over and over. I just enjoy learning new things.

What are your favorite colors to work with? I am a blue person. But, I do branch out. Wait until you see my next quilt—started a while ago, but it is about to be finished.

What are your favorite fabrics to work with? Cotton. I am really looking forward to doing something with batiks.

What is your favorite quilt shop? I really don't get to go anywhere but Joann's. Rachel took us to a shop this spring that was wonderful. I was sitting in the back seat of the car and have no idea where we went!

If you sew by machine, what kind(s) do you use? Sears Kenmore

What inspires you to make a particular quilt? Seeing a quilt with an interesting block or fabric. Mostly, someone I love inspires me. They usually ask for one.

What is your favorite quilting book or pattern? Fat Quarter Quilts by Mliss Rae Hawley.

On average, how many quilts do you make in a year? Since I am working, one or two bed quilts. I try to get more smaller projects finished as well.

Do you quilt your own quilts or do you send them out? I send them out. My hand sewing abilities are such that I need lots of practice, and my machine limits me—and that would mean that I wouldn't get to piece very much.

What quilt-related item(s) are you working on right now? A mariner's compass for my oldest grandson. And a bargello for Rachel's class, and a jelly roll.

What other hobbies do you have? Reading—my family has been known to go eat out while I finished a good book. I used to play golf all the time; but now that I work, my time is limited and the heat bothers me. . .I'm at that age!

Tell about one way that quilting has changed your life. I love the creativity. I love the feeling of accomplishment. And it really does feel good when others appreciate what you have envisioned.

Are you on any committees with the CRQG? I'm on the sunshine and challenge quilt committees.

Feel free to tell us more about yourself and your family. I have lived in Douglasville for 12 years. I was born in Georgia but have lived all over the South and the Midwest. I've been married (August 1) for 39 years to the same guy and have 2 daughters and sons-in-law, 4 grandchildren, and a new grandchild on the way. I work (wish I didn't), and I enjoy reading; I love to hug on my precious doggy, Reggie.

JULY - AUGUST BEES

Our July Bee was held at Broach Winsley's home. We had a lovely lunch and even accomplished some hand sewing on some of our projects. Joyce Hill had a cast on her arm, so she had a good excuse to leisurely leaf through some of Broach's wonderful Japanese quilting magazines. Thank you, Broach, for volunteering your home and time for a wonderful Bee gathering.

Our August 20th Bee will be held at the home of Sandy Capazzi. Please RSVP Sandy so she can have an idea of how many quilters she needs to serve lunch for. If you haven't attended one of our Bees, you are missing out on a great time. It's a great way of getting to know each other while, at the same time, getting some sewing done.
