President's Message

- Our day meeting with Anita Heady was wonderful! We learned so much that day--I think I had "overload." I came home and tried a few things that I could remember and found my memory is getting as old as I am.
- Then at the night meeting, my goodness, Miss Betsy Ross was outstanding. It was not our typical night meeting, but "MY OH MY" we had a great time with history, food and quilts.
- The display at the library is beautiful and as a Guild we can be very proud of the many, many things we have on display.
- I was unable to attend the Quilt Bee but I am told it was so much fun!!
- Take time to look at all the show and tell we had in July. Some of these ladies were part of "Show and Tell" for the very first time!! Yeah!
- And . . . as I write this letter I am still looking forward to the final day of July and our Kaleidoscope Quilt Workshop.
- OH! Yes! Don't forget 3 new members and visitors as well!!!

We are one busy Guild!

BUT WAIT . . . Look at August!!!

- Flavin Glover on the 12th.
- The final count on all those great pillowcases we have created.
- The due date for your beautiful quilts to be given to the Douglas County Homeless Shelter.
- Another Bee at Dorene Bickford's.
- Christmas in July August with the Tiny Stitches. (Remember last time they came -- what a hoot!!).

YES! I think "BUSY" is the name of our Guild and . . .

it is all because of YOU and your constant caring and giving hearts

I remain so-o-o-o PROUD of YOU!!

Rachel

P.S. Just wait 'til September!!!

R'Auction

Spring cleaning means cleaning up that sewing room. . .so don't forget you can bring your items to the next Guild meeting and place them in the container that we have at every meeting for any R'Auction items. You don't have to wait until September or October to give them to us.

AUGUST AND SEPTEMBER PROGRAMS

August 12, 2010

Flavin Glover

Waste Not, Want Not – Depression Era Quilters

Nationally known for her amazing log cabin quilts, Flavin is also an expert in quilt history. She will talk with us about women who quilted in the early 20th Century in the rural South. Interviews with the quilt makers enable Flavin to acquaint you with the quilters, their stories and their country quilts. It is a warm and mellow presentation that helps you relate to their good times and hard times. Their quilts range from “used up” scrap quilts to antique heirlooms. **This program will conclude before lunch.**

August 26, 2010

Christmas in August

Tiny Stitches

Bring your shopping list—Tiny Stitches is returning to Cherokee Rose with their famous “Christmas in July”—okay, it will be August when they come see us, but the idea is the same! See great gift and holiday ideas and enjoy the shopping time, too.

September 9, 2010

Invisible Machine Appliqué

Jan Cunningham

Come and learn how to machine appliqué with a hand sewn look. Jan Cunningham will explain the method made popular by Sharon Schamber, and after lunch we will try it ourselves with a sample block. Jan will bring the special supplies needed for this technique, so all you will need is your sewing machine, the items on the short supply list and your lunch. Jan’s quilt, Mountain Holly, won a 3rd place prize in Paducah, so you will be learning from one of the best! The program will last until 3 o’clock.

September 23, 2010

Challenge Quilt Show and Ice Cream Social

Patti Howell and the CRQG Membership

Patti Howell’s efforts to get all of us involved in creating challenge quilts using at least a portion of the fat quarter drawn from her secret “stash,” culminates tonight with a show of all the quilts we made. Members will vote for their favorites and enjoy the Ice Cream Social planned for that evening.

COMMUNITY SERVICE

One, two, skip a few, ninety-nine, one hundred. Repeat. One, two, skip a few, ninety-nine, one hundred. When I was growing up this was the joke of "How do you count to one hundred fast?" It is what I thought of as I counted and recounted the **230 pillowcases** we have had turned in to date for the **Douglas County Boys and Girls Club**. I spoke with the contact person there to make sure we were still on track with 175 or would she need more since they were available (thanks to y'all!). She stated due to tough times everywhere, their numbers had increased also and would need approximately 200! What an awesome feeling to be able to tell her this was not a problem! Every pillowcase that you have made will be given to them, solving my dilemma of where else they might be useful. Each pillowcase has been put into a quart size Ziploc bag and labeled as "Made for someone special by the Cherokee Rose Quilt Guild." I am in the process of setting up a date to give these pillowcases to them in the near future. . . watch for updates through your emails!

The deadline for the **Douglas County Homeless Shelter** quilts is here!! I have six turned in so far. Again, as last year, a small label will be put on each one stating that it was "Made by the Cherokee Rose Quilt Guild – Community Service Project 2010." Hard to believe as we swelter in this heat right now that cooler weather is just around the corner and these quilts will be very needed and much appreciated!

I have been looking for projects for next year; however, this is **YOUR GUILD** and I would like input from you! Remember items need to stay in Douglas County which can be challenging. But is there a ministry at your church that could benefit from quilts? Do you work with an agency that helps the community and could be an outlet for us? Put your thinking caps on and **HELP!**

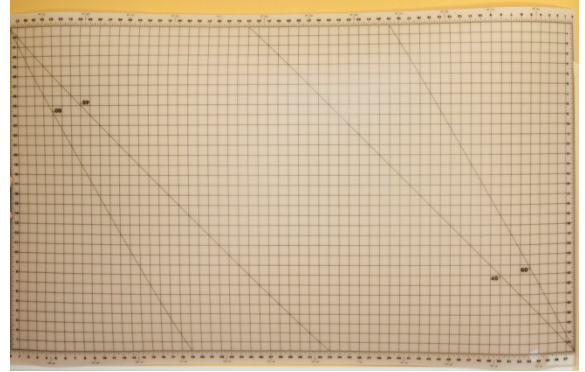

NO LIBRARY CARD NEEDED

Beverly Mahle donated a wonderful book, *301 Country Christmas Quilt Blocks*, by Cheri Saffiotte. There are some really nice blocks in this book for Christmas quilts. Albertha liked it so much she was the first quilter to check it out! I may be next when she returns the book.

Ways and Means

Congratulations to Linda Herren who won the Christmas stocking at the July day meeting. We earned \$155 at that meeting from the raffle and sales. Our winner for the July night raffle was Sandy Capazzi, and the total monies earned for that meeting was \$31.

The raffle item for August is a 36" X 59" rotary cutting mat that is valued at \$69.99 at Joann Fabrics. It will be the raffle for both the August Day and Night meetings, with the raffle being drawn at the break at the night meeting.

36" x 59" rotary cutting mat

Reminder to members: we will have totes for your R'Auction items at each and every meeting so please continue to bring your items in. We are going to have a **GREAT** R'Auction this year!!!! **Here is a suggestion for the R'Auction**...you may want to think about bringing something to put your "treasures" in that you buy....a big tote bag, a plastic tote, a box etc.... just a suggestion after watching people struggle to get their "treasures" to their cars!

The total that Ways and Means has brought in as of the last night meeting (July) we have made \$991.75!!! What a phenomenal year we have had and it is all been made possible **THANKS** to our members!

JULY AND AUGUST BEES

Our July Bee was a wonderful event. Doris Hohn hosted nine Guild members in her home and provided us with a very tasty lunch. Thank you so much, Doris, for sharing your home with us! Denise demonstrated her sewing gadget and it "seams" to be a pretty handy accessory to add to one's sewing kit. We had a great visit together: Kathy, Mary, Jennie, Queen, Gail, Denise, Sandra, and Terry Tinsley who is a brand new member to our Guild. Terry jumped right in and joined us. She's really missing her quilting pals from Ohio and was so happy to discover a whole new batch of quilting friends. . .right here in Georgia! Welcome, Terry!

August 19th Bee: Will be held at the home of Dorene Bickford. Lunch will be provided and please be sure to RSVP so she can have an idea of how much lunch is needed.

September 16th Bee: Will be held at the home of Rita Perez. More information on this Bee at a later date.

PUBLICITY

Guess who's picture will be in the Douglas Neighbor. Yes, CRQG! Rick from the Douglas Neighbor newspaper met Linda Jones, Caryl Knox, Gail Ford, Dori Holt, Sandra Wilson, and Bev Mahle at the Douglas County Library for a photo of our **spectacular** quilt display. There is an article regarding our Guild to accompany the picture. I am also attempting to have The Douglas County Sentinel run a photo and an article. So be on the lookout.

The new set of quilts have been hung at WellStar Douglas Hospital lobby. Dori Holt is displaying her Rail Fence pattern in "Holt 1" along with Caryl Knox's Day and Night quilt named "Lillies of the Valley." The hospital's reception area receives many, many positive comments on your beautiful and creative works of art that CRQG shows off all year long to the patients, visitors and employees. As always, many thanks for the loan for the past three months to Rita Perez and Betsy Montemayor.

WORKSHOPS ON THE HORIZON

September 25, 2010, Workshop

Beads, Beads, Beads

Nationally known quilter Mary Stori (www.marystori.com) will teach us beading techniques that have practical applications for quilts and garments. Mary offers an in-depth discussion about beads; the care, storage, equipment needs, and stabilizing methods. In the morning, we will create a reference sampler of basic stitches. We'll also learn to attach beads, charms, buttons, trinkets, & unusual objects. The afternoon focus is more decorative stitches, including picot stitch, chain stitch, branched fringe, netting, bugle bead walls, bead embroidery, and more. Mary uses live video projection, so everyone has a front row seat! No sewing machines or prior beading experience needed! The fee is \$35 for CRQG members; \$45 for non-members. The workshop will be opened to non-members on July 1, so sign up soon. A kit fee of \$10 payable to Mary is also required. It contains all the beads, embellishments and thread that you will need. Supply lists to be provided. (See website or page 13 of this newsletter for supply list.)

FOOD, FOOD, FOOD

Now that we have your attention, we would appreciate your opinion!!

Our Day Hospitality Committee, Becky Davis and Jessie Quick, have expressed their concerns over the delicious nibbles during the day meetings. They want to make sure there is plenty of food for everyone to enjoy. In an effort to help these lovely ladies, the following ideas have been "brought to the table."

1. Don't bother with food at all.
2. Everyone bring their own nibbles.
3. The committee purchase the food and everyone drop in a dollar or two.
4. Continue as we have but everyone take extra care in committing to help!!

We value your ideas and desires, so please join us at the next Day Meeting (August 12th)

Night hospitality will remain the same as it is working well!!

YUMMY TREATS FROM BEVERLY**“Lime in the Coconut” Frosted Cheesecake Bars**

Prep Time: 45 minutes

Total Time: 3 hours, 50 minutes

Makes: 24 bars

Cookie Base

- 1 Pouch (1 lb, 1.5 oz) Betty Crocker sugar cookie mix
- 2 Tablespoons all purpose flour
- 1/3 Cup butter or margarine, softened
- 1 egg, slight beaten

Filling

- 2 pkgs (8 oz each) cream cheese, softened
- 1 Can (16 oz) cream of coconut (not coconut milk)
- 3 Tablespoons lime juice
- 1 teaspoon vanilla
- 2 eggs

Topping

- 1 container (12 oz) Betty Crocker whipped cream cheese frosting
- 1 ¼ cups coconut, toasted
- 2 teaspoons grated lime peel

1. Heat oven to 350. Spray bottom and sides of 13 x 9 pan with cooking spray. In large bowl, stir cookie base ingredients until soft dough forms. Press evenly in bottom of pan. Bake 15-18 minutes or until golden brown. Cool 15 minutes.
2. Meanwhile, in large bowl, beat cream cheese with mixer on medium until light and fluffy. Beat in cream of coconut until well blended. Beat in lime juice, vanilla and 2 eggs until smooth. Spread over cookie base.
3. Bake 40-45 minutes or until set and light golden brown on edges. Cool 30 minutes at room temperature. Refrigerate 1 hour to cool completely.
4. Carefully spread frosting over filling. Sprinkle with coconut and lime peel. Cover; refrigerate 30 minutes. For bars, cut into 6 rows by 4 rows. Store covered in refrigerator.

Additional Information

Crema of coconut is not available at WalMart but is at Kroger in the Mexican food section. It is on the bottom shelf and is a 15+ ounce can.

I used a fresh lime for the juice and peel; however, the next time I make it I think I will use “Nellie and Joe’s” Famous Key West Lime Juice (also available at Kroger). I think this will give a little more lime flavor/kick to it. I’ll do more grated lime peel also.

To me the most time consuming part was toasting the coconut. I used the “sweetened” so it was moist, which meant it had to dry out before it would ‘toast.’

FEATURED MEMBER JOYCE HILL

How long have you been quilting? I made my first quilt in the early 60's. Then I took a break and had my kids. Then in the 80's, I started again.

Who taught you how to quilt? My mother-in-law.

What are your favorite quilting techniques? Appliqué.

What are your favorite colors to work with? Any color as long as it's not too bright.

What are your favorite fabrics to work with? Cotton.

What is your favorite quilt shop? Stitch 'N Quilt

If you sew by machine, what kind(s) do you use? Pfaff and Kenmore.

What inspires you to make a particular quilt? Most of the time it is the fabric. I like to pick a main fabric and then start from there.

What is your favorite quilting book or pattern? Any book or pattern that has appliqué in it.

On average, how many quilts do you make in a year? Four or 5 that are hand quilted; more than that when I quilt on the machine.

Do you quilt your own quilts or do you send them out? I always hand quilt my quilts unless they are to be given away.

What quilt-related item(s) are you working on right now? I have 2 old fashioned quilt frames. I have a quilt in each frame that I am quilting on now. I also have 10 tops ready to quilt and 5 tops in boxes to put together. Only one will be quilted on the machine. That one is for a granddaughter who will be 12 in April. That is "The Year of the Quilt" it is known around here.

What other hobbies do you have? I also oil paint and I love to work in the yard.

Tell about one way that quilting has changed your life. I love to relax and hand quilt. I have also made a lot of friends.

Are you on any committees with the CRQG? No.

Feel free to tell us more about yourself and your family. I have four granddaughters and only one likes to sew. I keep hoping some of the others will want to learn.

(Joyce donates much time and energy to various charitable organizations each year. This year, in addition to the many other contributions she made, she put together almost 100 pillowcases for the CRQG community service project for the Boys' and Girls' Club of Douglas County)
