President's Message

Happy Labor Day!

**I hope your celebration brings you friend and family
that will help with the "labor" of making the celebration meal!**

Speaking of "laboring," how is that work coming along on that "Challenge Quilt?" By now most of you know we had to make some changes in the September meeting schedule. Your beautiful Challenge Quilt is now due at the night meeting on September 16th instead of the 23rd. I know it is one week shorter to work on, SMILE, but you have had your challenge fat quarter for a few months now!! I have confidence in you!!! You can do it!!

Don't forget, even if you don't have a quilt in the challenge, we need you present on the 16th to help enjoy, vote and eat ice cream!

Our August day meeting was marvelous!! Flavin Glover made us laugh and made us understand how we should appreciate our many modern quilting goodies. Flavin took us back in history to a time when ladies had to glean their own cotton batting from the fields and card it themselves for their quilts. No thanks! SMILE

The Kaleidoscope Workshop was so much fun!! Patti Howell and Dorene Thornton did a great job! We worked so hard at those angles and . . . well, you need to look at the "Show and Tell" pictures on the website. Linda Jones brought hers to the day meeting and it was BEEEEEE-autiful! It was fun to watch Dorene as she jumped with glee when she saw Linda's finished quilt. Dorene made us all giggle.

As I write, I am excited about the "bead class" coming up with Mary Stori. The only beading I have done is with the old macramé, so this looks like we could all learn something. Please be aware that the location has been moved to Central Baptist Church in Douglasville.

PROUD!! I remain so PROUD of all of you! Together you have donated 232 pillowcases to the Boys and Girls Club of Douglasville. Do you realize how much time, effort and money that adds up to? You are one "GIVING BUNCH OF QUILTERS!"

AND . . . the quilts you have donated to the homeless shelter!!! I am taken aback by the effort and the beauty of the many, many quilts you have given from your hands and hearts! As our homeless friends lay under these works of love, I pray they feel the warmth and love you put into each quilt. **YOU GUYS ARE AWESOME!**

And, once again, I come to the end of another letter. Please know that it takes everyone of you to make the Guild a happy place to be. Some of you serve faithfully on a committee every month. Some of you serve us by planning or teaching a special event. But those of you who come and clap for the "Show and Tell" presenters, who pat us on the back for hard work performed, please know you are so important!! All of us need encouragement and someone to be proud of us. You are the people we love to show our work to because you understand and appreciate the hours of work. THANKS FOR BEING THERE!!

I remain "button-popping" proud of you.

COMMUNITY SERVICE

Wow! Many of you just need to go ahead and reach around and pat yourselves on the back for the outstanding job you have done this year for Community Service!

Shortly, I will have the honor of delivering 232 pillowcases to the **Douglas County Boys & Girls Club**. If you were not at the day meeting this month and did not see a partial showing of them, please know that to see them all together is impressive! Each one has been individually bagged and labeled. They are very anxious to get them. I'm excited to be able to add our number to the "One Million Pillowcase Challenge" sponsored by *American Patchwork and Quilting*!

Equally impressive are the quilts you've turned in for the **Douglas County Homeless Shelter**. They needed 18 quilts for the beds in their facility and we had 20 turned in! You are always doing above and beyond because you are so wonderful. I'm in the process of putting labels on these and then they will be ready for delivery. Speaking of "above and beyond," we also have several bags of travel size toiletries to give them. Someone in our Guild even went out and bought full-size products to give!

Do you remember me saying way back when that Rachel and Charlie had 'put an offer on the table' for those who signed up and turned in a quilt but that I didn't want to 'spill the beans' yet? Well, it's time to spill the beans. If you made and turned in a quilt for Community Service, you will be invited to a scrumptious dinner made by Rachel and Charlie! Now aren't you glad you put in all that work? Do I have you thinking about signing up for next year already?

Ways and Means

We earned \$96 for the month of August, and Jeanne Andersen won the cutting mat!

September's raffle item is a large ironing surface. This surface fits perfectly over a standard ironing board and gives a pressing surface of 24" by 60" —perfect for pressing large and small pieces of fabric alike. It is slightly padded and covered with blue and white striped ticking. This item is valued at \$139.

24" x 60" ironing surface

Reminder to members: Please remember to bring your R'Auction items to the September meetings so we can get them sorted and read for a FUN filled night at our yearly fundraiser!! It is going to be a GREAT R'Auction this year!!!

AUGUST, SEPTEMBER, OCTOBER BEES

August 19th Bee: This month's Bee was held at the home of Dorene Bickford. It was a huge hit with 16 members in attendance, including Jennie, Irene, Rita, Sandy, Diane, Phyl, Queen, Doris, Connie, Mary, Terry, Dori, Gail, Sandra, Rachel and Dorene! Whew!!! A great crowd. . .and a fun time. I enjoyed it. Her front yard looked like a Used Car Lot, ha, ha, ha. And by the time our last guest arrived, it was almost standing-room only inside her home. But this is okay; the more the merrier, right? Dorene served us a wonderful light lunch with an even more wonderful (imo) dessert. . .S'mores. . .very yummy. Sandra Wilson brought some new quilting magazines and catalogs to inspire us. I think most everyone is back from their summer vacations and ready to go into high gear with starting our fall quilts. Hope to see many of you at our next Bee in September!

September 16th Bee: Rita Perez will host our September Bee. Lunch will be provided. Please call ahead to let Rita know you will be in attendance. Bring your handwork, show off your current finished projects, share a new magazine or pattern, or just come and hang out with friends and visit with us for awhile. It's always a fun time at these Bees of ours. Remember, you can also bring a friend along; one does not need to be a Guild member to attend our Bees.

October 21st Bee: This Bee will be held at the home of Sandra Wilson. Please RSVP by email or call to let Sandra know how much of a crowd she needs to feed for lunch.

“PLAYING WITH THE UNUSUAL”

The “Playing With the Unusual” quilt challenge will be this month on September 16. NOTE: This is a new date as we were requested by the church to move the date up a week. We will be accepting all your challenges and we will also have an ice cream social. This is always a special and fun time for our Guild, and I’m sure you don’t want to miss it even if you haven’t made a challenge. (BUT it is not too late.) Be there and see all the craziness our members have come up with this year. We will be awarding 1st, 2nd, and 3rd prizes, so you want to come especially to vote for your favorite. See you there!!!

GA QUILT COUNCIL RAFFLE QUILT

The quilt that our Guild made for the GA Quilt Council to be auctioned off with the proceeds going to the Museum is all together and is at the quilter’s being quilted. It was shown at the last night meeting and day meeting. We will show it again when it is quilted and ready to send off. “Many hands make little work,” and this was our motto in making this quilt. We had a total of 23 people working on the quilt and it wasn’t a burden on any one person. Some people sewed blocks, sashing, borders. Others pressed, ripped out stitches when necessary, tore off the paper when finished and other things I can’t remember. All this was accomplished with a minimum of work for any one person. There were people who didn’t feel comfortable or didn’t have the time to sew, and they made donations to help defray the cost to the Guild.

Approximately \$180 was donated by various members. The fabric cost \$210. It was all batiks and bought at Tiny Stitches. The batting and backing was donated. Broach Winsley is quilting it and has waived her fee for our Guild.

The people who worked on the quilt:

Committee: Denise Allee, Albertha Brown, Rachel Phaneuf, and Patti Howell

Helpers: Charlie Phaneuf, Bev Mahle, Sandra Capazzi, Diane Johnson, Doreen Thornton, Sandra Wilson, Susan Fisher, Caryl Knox, Robin Meyer, Jessie Quick, Phyllis Carpenter, Mary Graham, Joyce Hill, Phyllis Smith, Geralynn West, Annie Kellum, Jane Wilding, Joyce Trew and Broach Winsley

A great big THANK YOU!!!! goes out to all these folks.

PUBLICITY

Rick Couch will be attending our September day meeting and conducting interviews for our feature article in the Douglas Neighbor newspaper. So, ladies, put on your lipstick and your smiles; he wants pictures.

At the end of the month of September, we will be hanging a new set of quilts. They will be displayed for the last quarter of 2010. The hospital truly appreciates our commitment to them and the community. Please see the bottom of the next page of this newsletter for photos of the quilts currently on display in the lobby of WellStar Douglas Hospital.

Can you believe how fast this year has passed? Wow! Is it true that time passes quicker with the increase of our number of birthdays?

The website Dori mentioned at the Guild meeting is www.quiltshops.com. The website I am trying to add CRQG to their directory is: www.quiltstudy.org/education/research/resources/links/listings.html. Man, my “favorites” list is getting verrrry long.

WORKSHOPS ON THE HORIZON

September 25, 2010, Workshop

Beads, Beads, Beads

Nationally known quilter Mary Stori (www.marystori.com) will teach us beading techniques that have practical applications for quilts and garments. Mary offers an in-depth discussion about beads; the care, storage, equipment needs, and stabilizing methods. In the morning, we will create a reference sampler of basic stitches. We'll also learn to attach beads, charms, buttons, trinkets, & unusual objects. The afternoon focus is more decorative stitches, including picot stitch, chain stitch, branched fringe, netting, bugle bead walls, bead embroidery, and more. Mary uses live video projection, so everyone has a front row seat! No sewing machines or prior beading experience needed! The fee is \$35 for CRQG members; \$45 for non-members. The workshop will be opened to non-members on July 1, so sign up soon. A kit fee of \$10 payable to Mary is also required. It contains all the beads, embellishments and thread that you will need. Supply lists to be provided. (See website or page 13 of this newsletter for supply list.)

Caryl Knox

FEATURED MEMBER PHYLLIS CARPENTER

How long have you been quilting? I took my first quilting class in the early 1990's. There were a few years when I didn't work on any and after I retired I wanted to start again; thus, I joined the Guild.

Who taught you how to quilt? I still hadn't actually quilted anything by hand until this last year when I started the machine quilting. Mostly I have worked on piecing tops. I had a class at two different quilt shops in the 90's, but only finished those quilts lately. I do have 3 cross stitch quilt tops with one finished.

What are your favorite quilting techniques? I am just enjoying learning the many ways and like the challenges.

What are your favorite colors to work with? I find I lean toward the blues, purples, and pinks. I am trying to do different things and explore the other colors.

What are your favorite fabrics to work with? Cottons are best, but I recently inherited a large box of feed sack fabrics and some beautiful silk that my parents bought in Japan that I look forward to doing something with in the future.

What is your favorite quilt shop? I really don't have a favorite shop. I enjoy exploring all of them.

If you sew by machine, what kind(s) do you use? I have a Bernina 440.

What inspires you to make a particular quilt? I do a lot of projects that the Guild does. I have so many ideas that I don't get many of them finished.

What is your favorite quilting book or pattern? I don't have any favorites, I just love learning new things.

On average, how many quilts do you make in a year? I have a very low finish record. There are lots of tops and started projects, but little is finished.

Do you quilt your own quilts or do you send them out? I have only finished 1 or 2 on my own, and I have several to be quilted. I haven't decided how to finish them. I have a regular quilt frame, a large round one, but have never used it.

What quilt-related item(s) are you working on right now? My challenge quilt, 2 of the 6-point table toppers, binding a quilt my mother left for my sister, and binding a baby quilt my mother made 50 years ago.

What other hobbies do you have? I love reading, crochet and knitting, embroidery by hand as well as by machine.

Tell about one way that quilting has changed your life. Joining the Guild has given me a chance to get involved with people who love quilting, and I love learning from them and getting to know everyone. It gives me a little push to do something instead of being lazy.

Are you on any committees with the CRQG? Now I am the day secretary and hope to help in another way next year.

Feel free to tell us more about yourself and your family. Howard and I celebrated our 50th anniversary on June 11th while we were in Ohio. My mother passed in July and I have had to take care of her condo and am working with her estate. We have 4 children, 9 grandchildren and 3 great-grandchildren. Paul, wife Lori, live in St. Louis. Paul's first son, Paul, lives in West Virginia with Dawn and 2 of our great-grandchildren, Ryan and Halianna; 2nd son, Christopher, is in the Air Force and is in Iraq. Sue lives in Pittsburg and has 3 sons, Keith of Pittsburg, Brad with a daughter Kalie in eastern Ohio and Jeremy in Ohio also. Karen has 3 children: Taylor, Victor and Julie; they live here in Georgia. Our son Philip and wife Lisa with granddaughter Hallie live in Monroe, Louisiana. They are the joy of our lives.
