President's Message

HAPPY THANKSGIVING!!

I pray this holiday will bring many wonderful memories to your mind!

October was filled with many interesting changes for our Guild! We found a wonderful new meeting place due to the very hard work of our Search Committee, Brenda Senn, Diane Johnson and Patti Howell. I am not quite sure if over 50 of you came to our first meeting out of curiosity or because of the fact it was so much closer for you, but. . . I was thrilled that you came to the October meetings in our new facility at the Douglasville Conference Center, downtown Douglasville.

And didn't you enjoy our day meeting guest? Tonya brought some wonderful examples of beading and her colorful quilts were marvelous. Her dolls were so beautiful. One of them was so big, several of us actually spoke to her thinking she was a real person at first. SMILE Take time to look at all the great pictures in this newsletter and on the web.

The R'Auction was so much fun!! Did you get what you hoped for? Dorene Bickford and the entire Ways and Means Committee did such a great job of organizing this fabulous evening. Look for the total income on the evening in their report!!!

We have some important business to take care of at the November meetings—the election of officers!! If you are a member, please come and cast your vote at either the day or night meeting. And while you are there, you could pay your dues for 2011 as there will be no dues money accepted at the Christmas Party, the only December meeting.

And, YES. . . Christmas is knocking very loudly at our door. So many preparations---so little time left! One of the preparations I have been privileged to make is the Guild Christmas Party! This year our membership has decided to take our party to a restaurant!!! It is the first time I can remember doing it! We will be joining for the fun on Thursday, December 2nd, at 6 p.m. at Provino's Italian Restaurant, located at 2911 Chapel Hill Road in Douglasville. (Sort of across the street from Target.)

Provino's has given us an entire room for the evening. We will order off the menu with an option of the "early bird special" starting at only \$9.95. Everyone will get to order exactly what they want and get their own separate check. And. . . OF COURSE. . . Donna Jones and Aline Wadsworth have many wonderful games, fun and prizes planned for us. You will not want to miss this fun time. So put on your prettiest outfit and come ready to enjoy.

The meeting was held at the new location at the Conference Center in downtown Douglasville. We thanked Union Baptist Church for the use of the facilities for 2 years and to Ann and Jessie for all of the work involved in our meetings. The Nominating Committee made their report. Nominees are: Broach Winsley, President; Dori Holt, Vice President; Phyllis Carpenter, Day Secretary; Jeanne Andersen, Night Secretary; Tina Corbitt, Treasurer. Voting will be held at the November meetings.

There was a discussion about changing the time of the day meeting due to concern of the parking. After discussion, it was decided to continue with the 9:30 starting time.

Rachel had 3 items for discussion:

- The meeting room will be \$40 per meeting.

COMMUNITY SERVICE

One of the best things about traveling is the opportunity to visit new quilt shops and talk with quilters from all across the USA. Today I visited a shop here in Florida and had the chance to talk with local and "snowbird" quilters from the north. Naturally, I asked about their guilds and, of course, about what they do for community service projects. Two responses were especially interesting to me.

One guild doesn't have an organized community service section of their guild; however, **EVERY MEMBER** is expected to be involved in giving back to the community in some way with their sewing/quilting talents! One lady makes small throws for the cat and dog pens for the local humane society, and several make pillowcases for the area hospice facilities. One lady adopted her granddaughter's classroom to spoil with handmade goodies throughout the year which inspired a few others to adopt the teachers of that school to spoil by doing the same for them! The other response that interested me was that a guild "assigns" **everyone** to a committee to work on for the year. She said, "there's a committee for everything because everyone can do *something!*"

They were very impressed with our efforts of the past 2 years, and it gave them some new food for thought as well as ideas of where to share their talents. My conversation with them has given me new things to think about. . .how about you? What can you do to be involved in the coming new year? What are you waiting for?

Ways and Means

The October raffle consisting of an ironing blanket, a Teflon pressing cloth, a can of spray starch, a bottle of Mary Ellen spray starch alternative, and an iron, plus a waste basket was won by Rebekah Bobell. The Ways and Means Committee made \$128 on that raffle.

Two raffles will be held in November, one each for the day and night meetings. The day meeting will feature a ruler bag as shown to the right. Not only does the winner take home the rulers, the cutting mat, the bag, and the magazine, but there will be two surprises that will go along with this raffle item.

November Day Raffle

The night raffle item is a daylight lamp that every quilter can use.

The R'Auction, a major Guild fund raiser sponsored by this committee, was held on October 28. Members and friends gathered to dig through R'Auction items to find just the things they were looking for. During the course of the evening, several bidding wars broke out, much to the delight of participants. The R'Auction was a huge success; it earned \$863.50 for the Guild and it's many activities that will take place in 2011.

OCTOBER BEE

We had so much fun at Sandra Wilson's home on Thursday morning. I don't know where she finds the time, but she had her home and gardens all decorated for fall. Several of us (16 in all) gathered together. It was almost standing room only. Let me think, hmm. . .Jennie Hollis, Mary Graham, Emma Parker, Doris Hohn, Eleanor Agan, Joyce Hill, Joyce Trew, Denise Allee, Diane Johnson, Gail Ford, Queen Esther Smith, Dorene Bickford, Phyl Schiwal, Linda Herren, and Irene Gardner. It was a houseful! Queen shared a box full of lovely music CD's from her Pastor's collection. Somebody brought fabric from their stash to share with everyone, and Sandra shared several magazines, patterns, and other notions of interest to quilters. It's so fun when our friends clean out their sewing rooms!

We had a nice fall lunch, baked ziti (I think is the name of the delicious casserole Sandra served us). Also a wonderful salad and warm rolls. And a yummy dessert for our sweet tooth. We had a nice peek into Sandra's sewing space. Of course. . .neat as a pin!

This was our last Bee of the year. I've had so much fun planning them and attending each Bee, and I hope everyone else has, too. I want to thank my assistant Kathy Eck who has helped out in a pinch when I really needed her help. I want to thank each and every hostess who hosted one of our Bee's this year. And I want to also thank each and every member of our Guild who has attended our Bee's. Without their attendance, we'd not have nearly as much fun! It makes me glad to know our little Bee Hive is filled with friendly volunteers and is still going strong within our Guild.

Queen Bee, Irene Gardner

FEATURED MEMBER**LINDA JONES**

How long have you been quilting? I took several beginning classes about 5-10 years ago but did not seriously start quilting until I joined Rachel and Charlie's classes last fall.

Who taught you how to quilt? My beginning teacher was Sarah Sorenson; however, I would have to attribute most of what I know from Rachel and her wonderful classes.

What are your favorite quilting techniques? I feel I am like a sponge at this point in my quilting. Every time I learn something new I am eager to explore what I just learned and follow through with more projects! I would have to say that right now my favorite technique is paper piecing since that is the theme of my current quilt class. I have several Judy Niemeyer paper piecing patterns that I want to try as soon as I feel that I've learned enough of the techniques from Rachel.

What are your favorite colors to work with? My favorite colors tend to be color combos. I love pink and green together and blue and yellow together.

What are your favorite fabrics to work with? I really enjoy working with batiks. I used batiks when I did my Kool Kaleidoscope Quilt at the Guild workshop.

What is your favorite quilt shop? I enjoy shopping at the Mableton shop, Stitch 'n Quilt. The ladies there are very nice and have always given me good advice. Thanks, ladies.

If you sew by machine, what kind(s) do you use? I have a Viking at home, and I bought a small portable Janome to take on vacation and to Guild workshops.

What inspires you to make a particular quilt? Many projects that I completed this year started with the desire to try a new technique, new ruler, or a skill that I was taught in a class.

What is your favorite quilting book or pattern? I took a class at Kiwi Quilts on the Square in a Square ruler. I am trying to work my way through the book that accompanies the ruler, and so far I've made 2 of the quilts. I love the idea of taking a pattern that looks very difficult and simplifying down to Square in a Square ruler techniques.

On average, how many quilts do you make in a year? This year I made 4 full-size quilts but over a dozen small projects such as wall hangings or table runners.

Do you quilt your own quilts or do you send them out? I quilt most of my projects; I need to learn more about how to use my machine for quilting the quilt. I sent one wall hanging to Broach for quilting and her work was amazing. I quilted my 2 largest quilts on Rachel and Charlie's longarm machine.

What quilt-related item(s) are you working on right now? I am working on several Christmas gift projects. I just completed a Christmas Star using paper piecing. Lastly, I am finishing a Christmas flower paper pieced quilt for Rachel's class. I seem to always have more than one project going at a time.

What other hobbies do you have? I love digital scrapbooking. I use my digital scrapbooking software, "Scrapbook Max," to design my quilt labels. I also love photography and studying genealogy.

Tell about one way that quilting has changed your life. I have always loved learning new things and facing challenging tasks. I think one of the reasons that I enjoy quilting so much is that there seems to always be a new technique or a new challenge.

Are you on any committees with the CRQG? Not yet.

Feel free to tell us more about yourself and your family. I am a retired math teacher. I taught high school math for 13 years in Cobb County and then 17 years at Alexander High School. My favorite class was geometry where we were always using constructing and experimenting to understand the subject. My students always got a kick out of the lesson I taught each year which involved making a class quilt. My husband Ken and I have been married for 37 years.

PUBLICITY

We have our two quilts hanging in WellStar Douglas Hospital's lobby for the final quarter of 2010. Demonstrating their talents are Annie Kellum and Queen Esther Smith.

Annie Kellum

Queen Smith

Two members have also volunteered their quilts for viewing for the first quarter of 2011. Again, let me thank each and everyone who has shared their "Works of Art" during the year. I believe our *promoting the love of quilting* has been noticed by many who pass through the lobby of WellStar Douglas Hospital. Fellow quilters, you are a very talented group, and I am so proud to have worked on this committee this past year. I appreciate all the cooperation on our Douglas County Public Library display for the months of June and July. Every year we seem to "knock their socks off" at the library. You photogenic people in our feature article in the Douglas Neighbor Newspaper were super models with your fabric, quilts and display of your talents. Wishing you a safe and happy Thanksgiving and to all a good day in quilting.

Lost Ruler

I have been missing a ruler for some time (I think since the day meeting where we learned log cabin quilting). I didn't come home with my 6" x 12" ruler—just a well-used Fiskars cutting ruler (black and orange printing), but I really miss it! Please contact me if you can help! Thanks.
